Arrowhead Mobile Home Park, AASI-18-005

Please accept the following comments from El Paso County Public Health for the project referenced above:

- **Arrowhead Mobile Home Park has been issued a Notice of Violation/Cease and Desist Order by the Colorado Department of Public Health and Environment for their existing, unapproved wastewater disposal basins. El Paso County Public Health supports the construction of a lift station and connection to the Cherokee Metropolitan District Wastewater Reclamation Facility where wastewater will be treated to approved parameters before discharge.**
- **The construction of the lift station and service line must meet the design criteria of the Colorado Department of Public Health and Environment, Water Quality Control Division.**
