Kari Parsons  
Project Manager  
El Paso County Dev Services Department  
2880 International Circle  
Colorado Springs, CO 80910-6107

Dear Ms. Parsons:

Mountain View Electric Association, Inc. (MVEA) has these comments about the following:

**Project Name: Midway Ranches Filing #7**

**Project Number: VR 202**

**Description:** A vacation of interior lot lines is being requested for 19 parcels to develop Front Range Midway Solar Energy Project. This project is located west of Interstate 25 and north of La Huerta View in Section 17, 20, 21 & 22, Township 17 South, Range 65 West.

This area is within MVEA certificated service area. MVEA will serve this area with start-up power and any additional power as needed. The necessary lines will be constructed according to our extension policy. Connection requirements may include provisions for necessary line extensions and or other system improvements along with easements, and payment of all fees under MVEA line extension policy. Information concerning these requirements can be obtained by contacting the Engineering Department of MVEA.

MVEA has existing facilities near and within these parcels of land. If there is any removal or relocation of facilities it will be at the expense of the applicant and a review of easements will be required in order to serve.

MVEA does not object to the vacation of the common lot line within this subdivision.

If additional information is required, please contact our office at (719) 495-2283.

Sincerely,

Cathy Hansen-Lee  
Engineering Administrative Assistant

This Association is an equal opportunity provider and employer.
