To Whom It May Concern,

We, the Fountain Fire Department, were asked for a letter of commitment for a proposed industrial rail project located east of Fort Carson, south of Charter Oak Ranch Road and west of I-25. The proposed project contains parcels with the following TSNs: 6600000047, 6600000048, 6600000004, 6600000009, 6600000046, 6600000008, 6600000011, 6600000010, 6600000041, 6600000030, 6600000012, and 6600000014. The proposed project covers an area of 3,151 acres. The project is proposing to be annexed into the City of Fountain. Upon conclusion of the annexation, the Fountain Fire Department will provide services to the area as described. Fountain Fire Department provided services include but not limited to the following: fire suppression, hazardous materials mitigation, technical rescue, wildland firefighting, fire prevention and education, and emergency medical services with Advance Life Support (ALS) Transportation.

However, Fountain Fire Department services will not be provided if annexation is not completed.

Michael Gates
Fire Marshal
Fountain Fire Department
