Dave,

We received payment for the Eagle Rising Final Plat today – I see the preliminary plan is still pending submittal, however. I do not think it is a good use of staff time to put review into the final plat when we do not have a preliminary plan submitted and so I will not send it out for review until the preliminary plan is submitted. I am going to place this email in the additional documents section of the final plat so it is clear why there is a delay in processing.

Let me know if you have any questions.

Thanks,
