The following conditions and notations shall be placed upon this approval:

#### **CONDITIONS**

1. All Deed of Trust holders shall ratify the plat. The applicant shall provide a current title commitment at the time of submittal of the Mylar for recording.
2. Colorado statute requires that at the time of the approval of platting, the subdivider provides the certification of the County Treasurer's Office that all ad valorem taxes applicable to such subdivided land, or years prior to that year in which approval is granted, have been paid. Therefore, this plat is approved on the condition that the subdivider or developer must provide to the Planning and Community Development Department, at the time of recording the plat, a certification from the County Treasurer's Office that all prior years' taxes have been paid in full.
3. The subdivider or developer must pay, for each parcel of property, the fee for tax certification in effect at the time of recording the plat.
4. The applicant shall submit the Mylar to Enumerations for addressing.

5. The developer shall comply with federal and state laws, regulations, ordinances, review and permit requirements, and other agency requirements, if any, of applicable agencies including, but not limited to, the Colorado Parks and Wildlife, Colorado Department of Transportation, U.S. Army Corps of Engineers and the U.S. Fish and Wildlife Service regarding the Endangered Species Act, particularly as it relates to the Preble's Meadow Jumping Mouse as a listed species.
6. Driveway permits will be required for each access to an El Paso County owned and maintained roadway. Driveway permits are obtained from the El Paso County Planning and Community Development Department.
7. The Subdivision Improvements Agreement, including the Financial Assurance Estimate as approved by the ECM Administrator, shall be filed at the time of final plat recordation.
8. Collateral sufficient to ensure the public improvements as listed in the approved Financial Assurance Estimate shall be provided when at the time of final plat recordation.
9. The subdivider(s) agrees on behalf of him/herself and any successors and assignees that subdivider and/or said successors and assigns shall be required to pay traffic impact fees in accordance with the El Paso County Road Impact Fee Program Resolution (Resolution No. 19-471), or any amendments thereto, at or prior to the time of building permit submittals. The fee obligation, if not paid at final plat recording, shall be documented on all sales documents and on plat notes to ensure that a title search would disclose the fee obligation before sale of the property.
10. Fees in lieu of school land dedication in the amount of \$5,1800.00 shall be paid to El Paso County for the benefit of Colorado Springs School District No. 11 at the time of final plat recordation.
11. The County Attorney's Conditions of Compliance shall be adhered to at the appropriate time.
12. Regional park fees (Region 2) in lieu of land dedication in the amount of \$12,768.00 and urban park fees (Urban Area 3) in lieu of land dedication in the amount of \$8,064.00 shall be paid at the time of final plat recordation.

13. Drainage fees for the Sand Creek drainage basin in the amount of \$28,410,00 apply at the time of final plat recordation. If collateral in excess of the drainage fee for the regional drainage improvements associated with this final plat is provided upon recordation of the final plat, the drainage fees due may be offset by the cost of the regional improvements. The developer may establish drainage fee credits upon construction of the regional improvements. If credits have been established prior to recordation of the final plat, the credits may be applied towards the fees due.
14. Bridge fees for the Sand Creek drainage basin in the amount of \$8,338.50 shall be paid at the time of final plat recording.
