PRELIMINARY PLAN (RECOMMEND APPROVAL)

MR BAILEY moved that the following Resolution be adopted:

BEFORE THE PLANNING COMMISSION

OF THE COUNTY OF EL PASO

STATE OF COLORADO

RESOLUTION NO. SP262
THE MARKETS AT BENT GRASS - PRELIMINARY PLAN

WHEREAS, Cynthia DeYoung & Lena Gail Case did file an application with the El Paso County Planning and Community Development Department for approval of a Preliminary Plan for The Markets At Bent Grass Subdivision for property in the unincorporated area of El Paso County as described in Exhibit A, which is attached hereto and incorporated herein by reference; and

WHEREAS, a public hearing was held by this Commission on October 15, 2026; and

WHEREAS, based on the evidence, testimony, exhibits, consideration of the Master Plan for the unincorporated area of the County, presentation and comments of the El Paso County Planning and Community Development Department and other County representatives, comments of public officials and agencies, comments from all interested persons, comments by the general public, and comments by the El Paso County Planning Commission members during the hearing, this Commission finds as follows:

1. The application was properly submitted for consideration by the Planning Commission;

2. Proper posting, publication, and public notice were provided as required by law for the hearing before the Planning Commission;

3. The hearing before the Planning Commission was extensive and complete, that all pertinent facts, matters, and issues were submitted, and that all interested persons and the general public were heard at that hearing;

4. All exhibits were received into evidence;

5. All data, surveys, analyses, studies, plans, and designs as are required by the State of Colorado and El Paso County have been submitted, reviewed, and found to meet all sound planning and engineering requirements of the El Paso County Subdivision Regulations; and

6. For the above-stated and other reasons, the proposed Preliminary Plan is in the best interest of the health, safety, morals, convenience, order, prosperity, and welfare of the citizens of El Paso County.

WHEREAS, this Commission further finds that the request meets the criteria for approval outlined in Section 7.2.1.D.2.e of the Land Development Code ("Code") (as amended), as follows:

1. The proposed Subdivision is in general conformance with the goals, objectives, and policies of the Master Plan;

2. The Subdivision is consistent with the purposes of the Code;

3. The Subdivision is in conformance with the subdivision design standards and any approved Sketch Plan;

4. A sufficient water supply has been acquired in terms of quantity, quality, and dependability for the type of Subdivision proposed, as determined in accordance with the standards set forth in the water supply standards [C.R.S. § 30-28-133(6)(a)] and the requirements of Chapter 8 of the Code (this finding may not be deferred to Final Plat if the applicant intends to seek Administrative Final Plat approval);

5. A public sewage disposal system has been established and, if other methods of sewage disposal are proposed, the system complies with State and local laws and regulations, [C.R.S. § 30-28-133(6) (b)] and the requirements of Chapter 8 of the Code;

6. All areas of the proposed Subdivision, which may involve soil or topographical conditions presenting hazards or requiring special precautions, have been identified and the proposed Subdivision is compatible with such conditions. [C.R.S. § 30-28-133(6)(c)];

7. Adequate drainage improvements complying with State law [C.R.S. § 30-28-133(3)(c)(VIII)] and the requirements of the Code and the Engineering Criteria Manual ("ECM") are provided by the design;

8. The location and design of the public improvements proposed in connection with the Subdivision are adequate to serve the needs and mitigate the effects of the development;

9. Legal and physical access is or will be provided to all parcels by public rights-of-way or recorded easement, acceptable to the County in compliance with the Code and the ECM;

10. The proposed Subdivision has established an adequate level of compatibility by (1) incorporating natural physical features into the design and providing sufficient open spaces considering the type and intensity of the Subdivision; (2) incorporating site planning techniques to foster the implementation of the County's plans, and encourage a land use

pattern to support a balanced transportation system, including auto, bike, and pedestrian traffic, public or mass transit if appropriate, and the cost effective delivery of other services consistent with adopted plans, policies and regulations of the County; (3) incorporating physical design features in the Subdivision to provide a transition between the Subdivision and adjacent land uses; (4) incorporating identified environmentally sensitive areas, including but not limited to, wetlands and wildlife corridors, into the design; and (5) incorporating public facilities or infrastructure, or provisions therefore, reasonably related to the proposed Subdivision so the proposed Subdivision will not negatively impact the levels of service of County services and facilities;

11. Necessary services, including police and fire protection, recreation, utilities, open space, and transportation systems are or will be available to serve the proposed Subdivision;

12. The Subdivision provides evidence to show that the proposed methods for fire protection comply with Chapter 6 of the Code;

13. The proposed Subdivision meets other applicable sections of Chapter 6 and 8 of the Code; and

WHEREAS, (Sufficiency) a sufficient water supply has been acquired in terms of quantity, quality, and dependability for the type of Subdivision proposed, as determined in accordance with the standards set forth in the water supply standards [C.R.S. § 30-28-133(6)(a)] and the requirements of Chapter 8 of the Code;

WHEREAS, the Planning Commission also finds that the proposed Waiver(s) from the Code meet(s) the criteria for a Waiver outlined in Section 7.3.3 of the Land Development Code and any other applicable criteria for consideration of a Waiver.

NOW, THEREFORE, BE IT RESOLVED, the El Paso County Planning Commission recommends that the petition of Cynthia DeYoung & Lena Gail Case for approval of a Preliminary Plan for The Markets at Bent Grass Subdivision for property located in the unincorporated area of El Paso County meets the criteria for approval outlined in Section 7.2.1.D.2.e of the Land Development Code and be approved by the Board of County Commissioners with the following conditions and notations:

CONDITIONS

1. Applicable drainage, bridge, school, and park fees shall be paid with each Final Plat.

2. Applicant shall comply with all requirements contained in the Water Supply Review and Recommendations, dated 9/16/2026, as provided by the County Attorney's Office.

3. If a proposed site development land use is significantly different than the uses identified in the current Traffic Impact Study, and requires additional public improvements based on

the updated land use, the lot owner with the updated use shall be responsible for construction of the necessary public improvements.

4. The Subdivision Improvements Agreement connected with the first final plat in this preliminary plan shall require the construction, paving and associated repairs to Bent Grass Meadows Drive along the property frontage as deemed appropriate by the County Engineer to meet the minimum standards in accordance with the Engineering Criteria Manual, as well as the posting of collateral for such work. This condition of approval replaces and supersedes Note 17 on the plat of Falcon Meadows at Bent Grass Filing No. 1

NOTATIONS

1. Subsequent Final Plat filings may be approved administratively by the Planning and Community Development Director.
2. Approval of the Preliminary Plan will expire after twenty-four (24) months unless a final plat has been approved and recorded or a time extension has been granted.
3. Preliminary Plans not forwarded to the Board of County Commissioners for consideration within 180 days of Planning Commission action will be deemed to be withdrawn and will have to be resubmitted in their entirety.

BE IT FURTHER RESOLVED that the El Paso County Planning Commission recommends approval of the following Waivers from the Land Development Code:

WAIVERS
Waiver from Section 8.4.4.C of the Code to allow a private road to be constructed in lieu of a public road. Pursuant to Section 8.4.3.B.2.e, lots shall have a minimum of 30-feet of frontage on and have access from a public road, except where private roads are approved by the BoCC pursuant to a waiver granted under Section 8.4.4.E

BE IT FURTHER RESOLVED that this Resolution and the recommendations contained herein shall be forwarded to the El Paso County Board of County Commissioners for its consideration.
