This email is to confirm the official transfer of the 25 acre school site from the County to Widefield School District #3 in the proposed Lorson Ranch PUD. This transfer is dated December 12, 2017 and a copy of the deed has been received by the district. Included in the PUD, the establishment of the needed zoning requirements should be made to fit the school usage. WSD#3 is currently working on a site development plan and intends to present this plan to the county or state for input. Widefield School District #3 will continue to develop our plan for the 25 acres for the use as a PrK-8 School locations.

If you have any questions please feel free to give me a call at (719)-391-3531 or email me at [neald@wsd3.org](mailto:neald@wsd3.org).
