Such disbursement shall not extend the date of the policy or change any part thereof unless such change is specifically made by written endorsement duly issued on behalf of the Company. Upon request by the Insured (and payment of the proper charges thereof), the Company's agent or approved attorney will search the public records subsequent to the date of the policy and furnish the insured a continuation report showing such matters affecting title to the land as they have appeared in the public records subsequent to the date of the policy or date of the last preceding continuation report, and if such continuation report shows intervening lien, or liens, or interest to or for the account of the mortgagor, then in such event this policy does not increase in liability unless such matters as actually shown on such continuation report are removed from the public records by the insured.

DEED OF TRUST (continued)

If Borrower pays Funds to Lender, the Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a Federal or state agency (including Lender if Lender is such an institution). Lender shall apply the Funds to pay said taxes, assessments, insurance premiums and ground rents. Lender may not charge for so holding and applying the Funds, analyzing said account or verifying and compiling said assessments and bills, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing at the time of execution of this Security Instrument that interest on the Funds shall be paid to Borrower, and unless such agreement is made or applicable law requires such interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly installments of Funds payable prior to the due dates of taxes, assessments, insurance premiums and ground rents, shall exceed the amount required to pay said taxes, assessments, insurance premiums and ground rents as they fall due, such excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly installments of Funds. If the amount of the Funds held by Lender shall not be sufficient to pay taxes, assessments, insurance premiums and ground rents as they fall due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as Lender may require.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 22 hereof the Property is sold or the Property is otherwise acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under the Credit Agreement and paragraphs 1 and 2 hereof shall be applied by Lender first in payment of amounts payable to Lender by Borrower under paragraph 2 hereof, second, (in the order Lender chooses) to any finance charges, other charges and collection costs owing, and third, to the principal balance under the Credit Agreement.

4. Prior Mortgages and Deeds of Trust; Charges; Liens. Borrower shall perform all of Borrower's obligations under any mortgage, deed of trust or other security agreement with a lien which has priority over this Security Instrument, including Borrower's covenants to make payments when due. Except to the extent that any such charges or impositions are to be paid to Lender under paragraph 2, Borrower shall pay or cause to be paid all taxes, assessments and other charges, fines and impositions attributable to the Property which may attain a priority over this Security Instrument, and leasehold payments or ground rents, if any. Within five days after any demand by Lender, Borrower shall exhibit to Lender receipts showing that all amounts due under this paragraph have been paid when due.

5. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," floods, and such other hazards as Lender may require and in such amounts and for such periods as Lender may require. Unless Lender in writing requires otherwise, the policy shall provide insurance on a replacement cost basis in an amount not less than that necessary to comply with any coinsurance percentage stipulated in the hazard insurance policy, and the amount of coverage shall be no less than the Maximum Principal Balance plus the full amount of any lien which has priority over this Security Instrument.

The insurance carrier providing the insurance shall be chosen by Borrower subject to approval by Lender; provided, that such approval shall not be unreasonably withheld. All insurance policies and renewals thereof shall be in a form acceptable to Lender and shall include a standard mortgage clause in favor of and in a form acceptable to Lender. Lender shall have the right to hold the policies and renewals thereof, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Security Instrument.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. All insurance proceeds are hereby assigned to Lender and shall be paid to Lender to the extent of all sums secured by this Security Instrument, subject to the terms of any mortgage, deed of trust or security agreement with a lien which has priority over this Security Instrument. Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restore or repair the Property, if it is economically feasible to do so.

If the Property is abandoned by Borrower, or if Borrower fails to respond to Lender within 30 days from the date notice is mailed by Lender to Borrower that the insurance carrier offers to settle a claim for insurance benefits, Lender is authorized to collect and apply the insurance proceeds at Lender's option either to restoration or repair of the Property or to the sums secured by this Security Instrument.

6. Preservation and Maintenance of Property; Leaseholds; Condominiums; Planned Unit Developments. Borrower shall keep the Property in good repair and shall not commit waste or permit impairment or deterioration of the Property and shall comply with the provisions of any lease if this Security Instrument is on a leasehold. If this Security Instrument is on a unit in a condominium or a planned unit development, Borrower shall perform all of Borrower's obligations under the declaration or covenants creating or governing the condominium or planned unit development, the by-laws and regulations of the condominium or planned unit development, and the constituent documents.

7. Protection of Lender's Security. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or if any action or proceeding is commenced which materially affects Lender's interest in the Property, then Lender, at Lender's option, upon notice to Borrower, may make such appearances, disburse such sums, including reasonable attorneys' fees, and take such action as is necessary to protect Lender's interest. Any amounts disbursed by Lender pursuant to this paragraph 7, with finance charges thereon, at the rate provided in the Credit Agreement, shall become additional indebtedness of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, such amounts shall be payable upon notice from Lender to Borrower requesting payment thereof. Nothing contained in this paragraph 7 shall require Lender to incur any expense or take any action hereunder. Any action taken by Lender under this paragraph shall not cure any breach Borrower may have committed of any covenant or agreement under this Security Instrument. Borrower agrees that Lender is subrogated to all of the rights and remedies of any prior lienor, to the extent of any payment by Lender to such lienor.

8. Inspection. Lender may make or cause to be made reasonable entries upon and inspections of the Property, provided that Lender shall give Borrower notice prior to any such inspection specifying reasonable cause therefor related to Lender's interest in the Property.

9. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of the Property, or part thereof, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender, to the extent of any indebtedness under the Credit Agreement, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Security Instrument.

DEED OF TRUST (continued)

11. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements herein contained shall bind, and the rights hereunder shall inure to, the respective successors and assigns of Lender and Borrower, subject to the provisions of paragraph 21 hereof. All covenants and agreements of Borrower shall be joint and several. Any Borrower who co-signs this Security Instrument, but does not execute the Credit Agreement, (a) is co-signing this Security Instrument only to grant and convey that Borrower's interest in the Property to Trustee under the terms of this Security Instrument, (b) is not personally liable under the Credit Agreement or under this Security Instrument, and (c) agrees that Lender and any other Borrower hereunder may agree to extend, modify, forbear, or make any other accommodations or amendments with regard to the terms of this Security Instrument or the Credit Agreement, without that Borrower's consent and without releasing that Borrower or modifying this Security Instrument as to that Borrower's interest in the Property.

12. Notice. Except for any notice required under applicable law to be given in another manner, (a) any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing such notice addressed to Borrower at Borrower's last known address as reflected in Lender's records, and (b) any notice to Lender shall be given by mail to Lender's address stated herein or to such other address as Lender may designate by notice to Borrower as provided herein. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given in the manner designated herein.

13. Governing Law; Severability. The state and local laws applicable to this Security Instrument shall be the laws of the jurisdiction in which the Property is located. The foregoing sentence shall not limit the applicability of Federal law to this Security Instrument. In the event that any provision or clause of this Security Instrument or the Credit Agreement conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Credit Agreement which can be given effect without the conflicting provision, and to this end the provisions of this Security Instrument and the Credit Agreement are declared to be severable. As used herein, "costs," "expenses" and "attorneys' fees" include all sums to the extent not prohibited by applicable law or limited herein.

14. Prior Mortgage or Deed of Trust; Modification; Future Advance. Borrower shall not enter into any agreement with the holder of any mortgage, deed of trust or other security agreement which has priority over this Security Instrument by which that security agreement is modified, amended, extended, or renewed, without the prior written consent of the Lender. Borrower shall neither request nor accept any future advance under a prior mortgage, deed of trust, or other security agreement without the prior written consent of Lender.

15. Borrower's Copy. Borrower shall be furnished a copy of the Credit Agreement and a conformed copy of this Security Instrument at the time of execution or after recordation hereof.

16. Rehabilitation Loan Agreement. Borrower shall fulfill all of Borrower's obligations under any home rehabilitation, improvement, repair, or other loan agreement which Borrower may enter into with Lender. Lender, at Lender's option, may require Borrower to execute and deliver to Lender, in a form acceptable to Lender, an assignment of any rights, claims or defenses which Borrower may have against parties who supply labor, materials or services in connection with improvements made to the Property.

17. Waiver of Homestead Exemption. To the extent permitted by law, Borrower hereby waives the benefit of the homestead exemption as to all sums secured by this Security Instrument.

18. Waiver of Statutes of Limitation. To the extent permitted by law, Borrower hereby waives statutes of limitation as a defense to any demand or obligation secured by this Security Instrument.

19. Merger. There shall be no merger of the interest or estate created by this Security Instrument with any other interest or estate in the Property at any time held by or for the benefit of Lender in any capacity, without the written consent of Lender.

20. Notice of Transfer of the Property; Advances after Transfer. Borrower shall give notice to Lender, as provided in paragraph 12 hereof, prior to any sale or transfer of all or part of the Property or any rights in the Property. Any person to whom all or part of the Property or any right in the Property is sold or transferred also shall be obligated to give notice to Lender, as provided in paragraph 12 hereof, promptly after such transfer.

Even if Borrower transfers the Property, Borrower will continue to be obligated under the Credit Agreement and this Security Instrument unless Lender releases Borrower in writing. As a condition to Lender's consent to any proposed transfer or as a condition to the release of Borrower, Lender may require that the person to whom the Property is transferred sign an assumption agreement satisfactory to Lender and Lender may impose an assumption fee. The assumption agreement will not entitle the person signing it to receive advances under the Credit Agreement.

21. Transfer of the Property. Subject to applicable law, Lender shall have the right to accelerate, that is, to demand immediate payment in full of all sums secured by this Mortgage or Deed of Trust, if Borrower, without the written consent of Lender, sells or transfers all or part of the Property or any rights in the Property.

If Lender exercises the option to accelerate, Lender shall give Borrower notice of acceleration in accordance with paragraph 12 hereof. The notice shall provide a period of not less than 30 days from the date of the notice within which Borrower may pay the sums declared due. If Borrower fails to pay those sums prior to the expiration of such period, Lender may, without further notice or demand on Borrower, invoke any remedies permitted by paragraph 22 hereof.

22. Default; Termination and Acceleration; Remedies. Each of the following events shall constitute an event of default ("event of default") under this Security Instrument: (1) Borrower commits fraud or makes a material misrepresentation in connection with this Security Instrument or the Credit Agreement; (2) Borrower does not meet the repayment terms of the Credit Agreement; or (3) Borrower's action or inaction adversely affects the Lender's rights in the Property secured by this Security Instrument. Such action or inaction by Borrower would include, but would not be limited to, (a) Borrower's failure to maintain required insurance, (b) Borrower's transfer or sale of the Property without Lender's permission, (c) Borrower's failure to pay taxes on the Property, (d) Borrower permitting the filing of a lien senior to that of the Security Instrument, (e) the Borrower dies and is the sole obligor under the Credit Agreement, (f) the Property is foreclosed upon by a prior lien holder or (g) the Property is taken through eminent domain. If an event of default occurs, Lender, at Lender's option, without further notice or demand (except as may otherwise be provided by applicable law), may declare all sums secured by this Security Instrument to be immediately due and payable, and may invoke the power of sale and any other remedies permitted by applicable law. Lender shall be entitled to collect all reasonable costs and expenses incurred in pursuing the remedies provided in this paragraph, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

If Lender invokes the power of sale, Lender shall give written notice to Trustee of the occurrence of an event of default and of Lender's

DEED OF TRUST (continued)

Trustee shall deliver to the purchaser Trustee's certificate describing the Property and the time when the purchaser will be entitled to Trustee's deed thereto. The recitals in Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all reasonable costs and expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees and costs of title evidence; (b) to all sums secured by this Deed of Trust; and (c) the excess, if any, to the person or persons legally entitled thereto.

23. **Borrower's Right to Reinstate.** Whenever the default is nonpayment of sums due under this Security Instrument, and notwithstanding Lender's acceleration of the sums secured by this Security Instrument, Borrower shall have the right to have any foreclosure proceedings commenced by Trustee at the request of Lender to enforce this Security Instrument discontinued if (a) at least seven (7) days prior to date the foreclosure sale is to be held, or such other time period as may be provided by law, Borrower gives written notice to Trustee of Borrower's intention to cure the default and if, on or before the date and time provided by law, Borrower pays to Trustee all delinquent principal and interest payments which are due as of the date of such payment exclusive of the portion of principal which would not have been due in the absence of acceleration, plus costs, expenses, late charges, attorney's fees, public trustee's fees and costs, and other fees incurred by Lender as of the date of payment in connection with such foreclosure proceedings; (b) Borrower cures all breaches or any other covenants or agreements of Borrower contained in the Security Instrument; and (c) Borrower takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's interest in the property and Borrower's obligations to pay the sums secured by this Security Instrument shall continue unimpaired. Upon such payment and cure by Borrower, this Security Instrument and the obligations secured hereby shall remain in full force and effect as if no acceleration had occurred.

24. **Assignment of Rents; Appointment of Receiver; Lender in Possession.** As additional security hereunder, Borrower hereby assigns to Lender the rents of the Property, provided that Borrower shall, prior to acceleration under paragraph 22 hereof or abandonment of the Property, have the right to collect and retain such rents as they become due and payable. Upon acceleration under paragraph 22 hereof or abandonment of the Property, Lender in person, by agent or by judicially appointed receiver shall be entitled to enter upon, take possession of and manage the Property and to collect the rents of the Property including those past due. All rents collected by Lender or the receiver shall be applied first to payment of the costs of management of the Property and collection of the rents, including, but not limited to, receiver's fees, premiums on receiver's bonds and reasonable attorney's fees, and then to the sums secured by this Security Instrument. Lender and the receiver shall be liable to account only for those rents actually received.

25. **Release.** When Borrower has paid all sums secured by this Security Instrument (or earlier if required by applicable law), Lender shall request Trustee to release this Security Instrument and shall surrender the Agreement to Trustee. Trustee shall release this Security Instrument without further inquiry or liability. To the extent permitted by law, Lender may charge Borrower the statutory Trustee's fees and require Borrower to pay costs of recordation, if any.

REQUEST FOR NOTICE OF DEFAULT AND FORECLOSURE UNDER SUPERIOR MORTGAGES OR DEEDS OF TRUST

Borrower and Lender request the holder of any mortgage, deed of trust or other encumbrance with a lien which has priority over this Security Instrument to give Notice to Lender, at Lender's address set forth on page one of this Security Instrument, of any default under the superior encumbrance and of any sale or other foreclosure action.

RESOLUTION NO. 20-476

BOARD OF COUNTY COMMISSIONERS
COUNTY OF EL PASO, STATE OF COLORADO

APPROVE VARIANCE OF USE TO PERMIT A BUSINESS EVENT CENTER AT
11955 FALCON HIGHWAY (VA-20-003)

WHEREAS, David and Cynthia Smallidge did file an application with the Planning and Community Development Department of El Paso County for approval of a variance of use within the RR-5 (Residential Rural) zoning district to permit a business event center where such is not permitted for property located within the unincorporated area of the County, more particularly described in Exhibit A, which is attached hereto and incorporated by this reference; and

WHEREAS, a public hearing was held by the El Paso County Planning Commission on December 3, 2020, upon which date the Planning Commission did by formal resolution recommend approval of the subject variance of use for a business event center; and

WHEREAS, a public hearing was held by this Board on December 22, 2020; and

WHEREAS, based on the evidence, testimony, exhibits, recommendations of the El Paso County Planning Commission, presentation and comments of the El Paso County Planning and Community Development Department and other County representatives, comments of public officials and agencies, comments from all interested persons, comments by the general public, and comments by the County Commissioners during the hearing, this Board finds as follows:

1. That the application for the variance of use was properly submitted for consideration by the Board of County Commissioners.
2. That proper posting, publication and public notice were provided as required by law for the hearings before the Planning Commission and the Board of County Commissioners.
3. That the hearings before the Planning Commission and Board of County Commissioners were extensive and complete, that all pertinent facts, matters and issues were submitted, and that all interested persons and the general public were heard at those hearings.
4. That all exhibits were received into evidence.

5. That the proposed land use does permit the use of any area containing a commercial mineral deposit in a manner which would interfere with the present or future extraction of such deposit by an extractor.
6. That for the above-stated and other reasons, the proposed variance of use is in the best interest of the health, safety, morals, convenience, order, prosperity and welfare of the citizens of El Paso County.

WHEREAS, pursuant to Section 5.3.4 of the El Paso County Land Development Code, as amended, in approving this variance of use, the Board of County Commissioners considered one or more of the following criteria:

1. The strict application of any of the provisions of the Land Development Code would result in peculiar and exceptional practical difficulties or undue hardship on either the owner or the contract purchaser of the property;
2. The proposed use is compatible with the surrounding area, harmonious with the character of the neighborhood, not detrimental to the surrounding area, not detrimental to the future development of the area, and not detrimental to the health, safety, or welfare of the inhabitants of the area and the County;
3. The proposed use will be able to meet air, water, odor or noise standards established by County, State or Federal regulations during construction and upon completion of the project;
4. The proposed use will comply with all applicable requirements of the Land Development Code and all applicable County, State, and Federal regulations except those portions varied by this action;
5. The proposed use will not adversely affect wildlife or wetlands;
6. The applicant has addressed all off-site impacts;
7. The site plan for the proposed variance of use will provide for adequate parking, traffic circulation, open space, fencing, screening, and landscaping; and/or
8. Sewer, water, storm water drainage, fire protection, police protection, and roads will be available and adequate to serve the needs of the proposed Variance of Use as designed and proposed.

NOW, THEREFORE, BE IT RESOLVED the Board of County Commissioners of El Paso County, Colorado, hereby approves the application by David and Cynthia Smallidge for a variance of use to allow a business event center within the RR-5 (Residential Rural) zoning district where such is not a permitted use for

the unincorporated area of El Paso County as described in Exhibit A, which is attached hereto and incorporated herein by this reference;

BE IT FURTHER RESOLVED the following conditions and notations shall be placed upon this approval:

CONDITIONS

1. Approval is limited to the use of a business event center, as discussed and depicted in the applicant's letter of intent and site plan drawings. Any subsequent addition or modification to the operation or facility beyond that described in the applicant's letter of intent and as shown on the site plan shall be subject to review and approval of a new variance of use request.
2. Prior to building permit authorization or initiation of the use, the applicant shall apply for and receive approval of a commercial site development plan.
3. Prior to building permit authorization or initiation of the use, the applicant shall apply for and receive approval of a commercial driveway access permit.
4. Events held at the business event center shall be limited in occupancy to no more than 75 people at any given time. If the total number of daily trips to and from the property exceeds 70, the use shall be subject to review and approval of a new variance of use request.
5. Events shall be limited to Fridays, Saturdays, Sundays, and federal holidays, and all events shall cease prior to 10:00 PM. Outdoor activities shall be limited to seating. All functions of the business event center use that generate excessive noise or odors must occur indoors.
6. Prior to building permit authorization, the applicant shall provide the Planning and Community Development Department a copy of an approved septic permit for the business event center use and the existing residential use.
7. All structures on the property shall be set back a minimum of sixty (60) feet from the north property line adjacent to Falcon Highway.

NOTATIONS

1. The variance of use approval includes conditions of approval and the accompanying site plan and elevation drawings. No substantial expansion, enlargement, intensification or modification shall be allowed except upon reevaluation and public hearing as specified in the El Paso County Land Development Code.
2. The Board of County Commissioners may consider revocation and/or suspension if zoning regulations and/or variance of use conditions are being violated, preceded by notice and public hearing.
3. If the variance of use is discontinued or abandoned for two (2) years or longer, the use shall be deemed abandoned and of no further force and effect.

AND BE IT FURTHER RESOLVED the record and recommendations of the El Paso County Planning Commission be adopted, except as modified herein.

DONE THIS 22nd day of December, 2020, at Colorado Springs, Colorado.

DEED OF TRUST (continued)

If Borrower pays Funds to Lender, the Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a Federal or state agency (including Lender if Lender is such an institution). Lender may require a "cushion" to be maintained in the account equal to one-sixth of the estimated total amount of taxes, insurance, premiums and other charges that are to be paid annually, or such other amount as required or allowed by law. Lender shall apply the Funds to pay said taxes, assessments, insurance premiums and ground rents. Lender may not charge for so holding and applying the Funds, analyzing said account or verifying and compiling said assessments and bills, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing at the time of execution of this Security Instrument that interest on the Funds shall be paid to Borrower, and unless such agreement is made or applicable law requires such interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly installments of Funds payable prior to the due dates of taxes, assessments, insurance premiums and ground rents, shall exceed the amount required to be paid and maintained for said taxes, assessments, insurance premiums and ground rents as they fall due, such excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly installments of Funds. If the amount of the Funds held by Lender shall not be sufficient to pay taxes, assessments, insurance premiums and ground rents as they fall due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as Lender may require.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 22 hereof the Property is sold or the Property is otherwise acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under the Credit Agreement and paragraphs 1 and 2 hereof shall be applied by Lender first in payment of amounts payable to Lender by Borrower under paragraph 2 hereof, second, (in the order Lender chooses) to any finance charges, other charges and collection costs owing, and third, to the principal balance under the Credit Agreement.

4. Prior Mortgages and Deeds of Trust; Charges; Liens. Borrower shall perform all of Borrower's obligations under any mortgage, deed of trust or other security agreement with a lien which has priority over this Security Instrument, including Borrower's covenants to make payments when due. Except to the extent that any such charges or impositions are to be paid to Lender under paragraph 2, Borrower shall pay or cause to be paid all taxes, assessments and other charges, fines and impositions attributable to the Property which may attain a priority over this Security Instrument, and leasehold payments or ground rents, if any. Within five days after any demand by Lender, Borrower shall exhibit to Lender receipts showing that all amounts due under this paragraph have been paid when due.

5. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," floods, and such other hazards as Lender may require and in such amounts and for such periods as Lender may require. Unless Lender in writing requires otherwise, the policy shall provide insurance on a replacement cost basis in an amount not less than that necessary to comply with any coinsurance percentage stipulated in the hazard insurance policy, and the amount of coverage shall be no less than the Maximum Principal Balance plus the full amount of any lien which has priority over this Security Instrument.

The insurance carrier providing the insurance shall be chosen by Borrower subject to approval by Lender; provided, that such approval shall not be unreasonably withheld. All insurance policies and renewals thereof shall be in a form acceptable to Lender and shall include a standard mortgage clause in favor of and in a form acceptable to Lender. Lender shall have the right to hold the policies and renewals thereof, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Security Instrument.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. All insurance proceeds are hereby assigned to Lender and shall be paid to Lender to the extent of all sums secured by this Security Instrument, subject to the terms of any mortgage, deed of trust or security agreement with a lien which has priority over this Security Instrument. Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restore or repair the Property, if it is economically feasible to do so.

If the Property is abandoned by Borrower, or if Borrower fails to respond to Lender within 30 days from the date notice is mailed by Lender to Borrower that the insurance carrier offers to settle a claim for insurance benefits. Lender is authorized to collect and apply the insurance proceeds at Lender's option either to restoration or repair of the Property or to the sums secured by this Security Instrument.

6. Preservation and Maintenance of Property; Leaseholds; Condominiums; Planned Unit Developments. Borrower shall keep the Property in good repair and shall not commit waste or permit impairment or deterioration of the Property and shall comply with the provisions of any lease if this Security Instrument is on a leasehold. If this Security Instrument is on a unit in a condominium or a planned unit development, Borrower shall perform all of Borrower's obligations under the declaration or covenants creating or governing the condominium or planned unit development, the by-laws and regulations of the condominium or planned unit development, and the constituent documents.

7. Protection of Lender's Security. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or if any action or proceeding is commenced which materially affects Lender's interest in the Property, then Lender, at Lender's option, upon notice to Borrower, may make such appearances, disburse such sums, including reasonable attorneys' fees, and take such action as is necessary to protect Lender's interest. Any amounts disbursed by Lender pursuant to this paragraph 7, with finance charges thereon, at the rate provided in the Credit Agreement, shall become additional indebtedness of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, such amounts shall be payable upon notice from Lender to Borrower requesting payment thereof. Nothing contained in this paragraph 7 shall require Lender to incur any expense or take any action hereunder. Any action taken by Lender under this paragraph shall not cure any breach. Borrower may have committed of any covenant or agreement under this Security Instrument. Borrower agrees that Lender is

DEED OF TRUST (continued)

11. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements herein contained shall bind, and the rights hereunder shall inure to, the respective successors and assigns of Lender and Borrower, subject to the provisions of paragraph 21 hereof. All covenants and agreements of Borrower shall be joint and several. Any Borrower who co-signs this Security Instrument, but does not execute the Credit Agreement, (a) is co-signing this Security Instrument only to grant and convey that Borrower's interest in the Property to Trustee under the terms of this Security Instrument, (b) is not personally liable under the Credit Agreement or under this Security Instrument, and (c) agrees that Lender and any other Borrower hereunder may agree to extend, modify, forbear, or make any other accommodations or amendments with regard to the terms of this Security Instrument or the Credit Agreement, without that Borrower's consent and without releasing that Borrower or modifying this Security Instrument as to that Borrower's interest in the Property.

12. Notice. Except for any notice required under applicable law to be given in another manner, (a) any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing such notice addressed to Borrower at Borrower's last known address as reflected in Lender's records, and (b) any notice to Lender shall be given by mail to Lender's address stated herein or to such other address as Lender may designate by notice to Borrower as provided herein. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given in the manner designated herein.

13. Governing Law; Severability. The state and local laws applicable to this Security Instrument shall be the laws of the jurisdiction in which the Property is located. The foregoing sentence shall not limit the applicability of Federal law to this Security Instrument. In the event that any provision or clause of this Security Instrument or the Credit Agreement conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Credit Agreement which can be given effect without the conflicting provision, and to this end the provisions of this Security Instrument and the Credit Agreement are declared to be severable. As used herein, "costs," "expenses" and "attorneys' fees" include all sums to the extent not prohibited by applicable law or limited herein.

14. Prior Mortgage or Deed of Trust; Modification; Future Advance. Borrower shall not enter into any agreement with the holder of any mortgage, deed of trust or other security agreement which has priority over this Security Instrument by which that security agreement is modified, amended, extended, or renewed, without the prior written consent of the Lender. Borrower shall neither request nor accept any future advance under a prior mortgage, deed of trust, or other security agreement without the prior written consent of Lender.

15. Borrower's Copy. Borrower shall be furnished a copy of the Credit Agreement and a conformed copy of this Security Instrument at the time of execution or after recordation hereof.

16. Rehabilitation Loan Agreement. Borrower shall fulfill all of Borrower's obligations under any home rehabilitation, improvement, repair, or other loan agreement which Borrower may enter into with Lender. Lender, at Lender's option, may require Borrower to execute and deliver to Lender, in a form acceptable to Lender, an assignment of any rights, claims or defenses which Borrower may have against parties who supply labor, materials or services in connection with improvements made to the Property.

17. Waiver of Homestead Exemption. To the extent permitted by law, Borrower hereby waives the benefit of the homestead exemption as to all sums secured by this Security Instrument.

18. Waiver of Statutes of Limitation. To the extent permitted by law, Borrower hereby waives statutes of limitation as a defense to any demand or obligation secured by this Security Instrument.

19. Merger. There shall be no merger of the interest or estate created by this Security Instrument with any other interest or estate in the Property at any time held by or for the benefit of Lender in any capacity, without the written consent of Lender.

20. Notice of Transfer of the Property; Advances after Transfer. Borrower shall give notice to Lender, as provided in paragraph 12 hereof, prior to any sale or transfer of all or part of the Property or any rights in the Property. Any person to whom all or part of the Property or any right in the Property is sold or transferred also shall be obligated to give notice to Lender, as provided in paragraph 12 hereof, promptly after such transfer.

Even if Borrower transfers the Property, Borrower will continue to be obligated under the Credit Agreement and this Security Instrument unless Lender releases Borrower in writing. As a condition to Lender's consent to any proposed transfer or as a condition to the release of Borrower, Lender may require that the person to whom the Property is transferred sign an assumption agreement satisfactory to Lender and Lender may impose an assumption fee. The assumption agreement will not entitle the person signing it to receive advances under the Credit Agreement.

21. Transfer of the Property. Subject to applicable law, Lender shall have the right to accelerate, that is, to demand immediate payment in full of all sums secured by this Mortgage or Deed of Trust, if Borrower, without the written consent of Lender, sells or transfers all or part of the Property or any rights in the Property.

If Lender exercises the option to accelerate, Lender shall give Borrower notice of acceleration in accordance with paragraph 12 hereof. The notice shall provide a period of not less than 30 days from the date of the notice within which Borrower may pay the sums declared due. If Borrower fails to pay those sums prior to the expiration of such period, Lender may, without further notice or demand on Borrower, invoke any remedies permitted by paragraph 22 hereof.

22. Default; Termination and Acceleration; Remedies. Each of the following events shall constitute an event of default ("event of default") under this Security Instrument: (1) Borrower commits fraud or makes a material misrepresentation in connection with this Security Instrument or the Credit Agreement; (2) Borrower does not meet the repayment terms of the Credit Agreement; or (3) Borrower's action or inaction adversely affects the Lender's rights in the Property secured by this Security Instrument. Such action or inaction by Borrower would include, but would not be limited to, (a) Borrower's failure to maintain required insurance, (b) Borrower's transfer or sale of the Property without Lender's permission, (c) Borrower's failure to pay taxes on the Property, (d) Borrower permitting the filing of a lien senior to that of the Security Instrument, (e) the Borrower dies and is the sole obligor under the Credit Agreement, (f) the Property is foreclosed upon by a

DEED OF TRUST (continued)

Trustee shall deliver to the purchaser Trustee's certificate describing the Property and the time when the purchaser will be entitled to Trustee's deed thereto. The recitals in Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all reasonable costs and expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees and costs of title evidence; (b) to all sums secured by this Deed of Trust; and (c) the excess, if any, to the person or persons legally entitled thereto.

23. Borrower's Right to Reinstate. Whenever the default is nonpayment of sums due under this Security Instrument, and notwithstanding Lender's acceleration of the sums secured by this Security Instrument, Borrower shall have the right to have any foreclosure proceedings commenced by Trustee at the request of Lender to enforce this Security Instrument discontinued if (a) at least seven (7) days prior to date the foreclosure sale is to be held, or such other time period as may be provided by law, Borrower gives written notice to Trustee of Borrower's intention to cure the default and if, on or before the date and time provided by law, Borrower pays to Trustee all delinquent principal and interest payments which are due as of the date of such payment exclusive of the portion of principal which would not have been due in the absence of acceleration, plus costs, expenses, late charges, attorney's fees, public trustee's fees and costs, and other fees incurred by Lender as of the date of payment in connection with such foreclosure proceedings; (b) Borrower cures all breaches or any other covenants or agreements of Borrower contained in the Security Instrument; and (c) Borrower takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's interest in the property and Borrower's obligations to pay the sums secured by this Security Instrument shall continue unimpaired. Upon such payment and cure by Borrower, this Security Instrument and the obligations secured hereby shall remain in full force and effect as if no acceleration had occurred.

24. Assignment of Rents; Appointment of Receiver; Lender in Possession. As additional security hereunder, Borrower hereby assigns to Lender the rents of the Property, provided that Borrower shall, prior to acceleration under paragraph 22 hereof or abandonment of the Property, have the right to collect and retain such rents as they become due and payable. Upon acceleration under paragraph 22 hereof or abandonment of the Property, Lender in person, by agent or by judicially appointed receiver shall be entitled to enter upon, take possession of and manage the Property and to collect the rents of the Property including those past due. All rents collected by Lender or the receiver shall be applied first to payment of the costs of management of the Property and collection of the rents, including, but not limited to, receiver's fees, premiums on receiver's bonds and reasonable attorney's fees, and then to the sums secured by this Security Instrument. Lender and the receiver shall be liable to account only for those rents actually received.

25. Release. This Security Instrument secures a revolving line of credit and advances may be made, repaid, and remade from time to time, under the terms of the Credit Agreement. When, according to the terms of the Credit Agreement, no more advances will be made, and Borrower has paid all sums secured by this Security Instrument (or earlier if required by applicable law), Lender shall request Trustee to release this Security Instrument and shall surrender the Credit Agreement to Trustee. Trustee shall release this Security Instrument without further inquiry or liability. To the extent permitted by law, Lender may charge Borrower the statutory Trustee's fees and require Borrower to pay costs of recordation, if any.

**REQUEST FOR NOTICE OF DEFAULT AND FORECLOSURE
UNDER SUPERIOR MORTGAGES OR DEEDS OF TRUST**

Borrower and Lender request the holder of any mortgage, deed of trust or other encumbrance with a lien which has priority over this Security Instrument to give Notice to Lender, at Lender's address set forth on page one of this Security Instrument, of any default under the superior encumbrance and of any sale or other foreclosure action.

1. Payment of Principal, Finance Charges and Other Charges. Borrower shall promptly pay when due all amounts borrowed under the Credit

DEED OF TRUST (continued)

If Borrower pays Funds to Lender, the Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a Federal or state agency (including Lender if Lender is such an institution). Lender may require a "cushion" to be maintained in the account equal to one-sixth of the estimated total amount of taxes, insurance, premiums and other charges that are to be paid annually, or such other amount as required or allowed by law. Lender shall apply the Funds to pay said taxes, assessments, insurance premiums and ground rents. Lender may not charge for so holding and applying the Funds, analyzing said account or verifying and compiling said assessments and bills, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing at the time of execution of this Security Instrument that interest on the Funds shall be paid to Borrower, and unless such agreement is made or applicable law requires such interest to be paid. Lender shall not be required to pay Borrower any interest or earnings on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for the sums secured by this Security Instrument.

If the amount of the Funds held by Lender, together with the future monthly installments of Funds payable prior to the due dates of taxes, assessments, insurance premiums and ground rents, shall exceed the amount required to be paid and maintained for said taxes, assessments, insurance premiums and ground rents as they fall due, such excess shall be, at Borrower's option, either promptly repaid to Borrower or credited to Borrower on monthly installments of Funds. If the amount of the Funds held by Lender shall not be sufficient to pay taxes, assessments, insurance premiums and ground rents as they fall due, Borrower shall pay to Lender any amount necessary to make up the deficiency in one or more payments as Lender may require.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If under paragraph 22 hereof the Property is sold or the Property is otherwise acquired by Lender, Lender shall apply, no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under the Credit Agreement and paragraphs 1 and 2 hereof shall be applied by Lender first in payment of amounts payable to Lender by Borrower under paragraph 2 hereof, second, (in the order Lender chooses) to any finance charges, other charges and collection costs owing, and third, to the principal balance under the Credit Agreement.

4. Prior Mortgages and Deeds of Trust; Charges; Liens. Borrower shall perform all of Borrower's obligations under any mortgage, deed of trust or other security agreement with a lien which has priority over this Security Instrument, including Borrower's covenants to make payments when due. Except to the extent that any such charges or impositions are to be paid to Lender under paragraph 2, Borrower shall pay or cause to be paid all taxes, assessments and other charges, fines and impositions attributable to the Property which may attain a priority over this Security Instrument, and leasehold payments or ground rents, if any. Within five days after any demand by Lender, Borrower shall exhibit to Lender receipts showing that all amounts due under this paragraph have been paid when due.

5. Hazard Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," floods, and such other hazards as Lender may require and in such amounts and for such periods as Lender may require. Unless Lender in writing requires otherwise, the policy shall provide insurance on a replacement cost basis in an amount not less than that necessary to comply with any coinsurance percentage stipulated in the hazard insurance policy, and the amount of coverage shall be no less than the Maximum Principal Balance plus the full amount of any lien which has priority over this Security Instrument.

The insurance carrier providing the insurance shall be chosen by Borrower subject to approval by Lender; provided, that such approval shall not be unreasonably withheld. All insurance policies and renewals thereof shall be in a form acceptable to Lender and shall include a standard mortgage clause in favor of and in a form acceptable to Lender. Lender shall have the right to hold the policies and renewals thereof, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Security Instrument.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. All insurance proceeds are hereby assigned to Lender and shall be paid to Lender to the extent of all sums secured by this Security Instrument, subject to the terms of any mortgage, deed of trust or security agreement with a lien which has priority over this Security Instrument. Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restore or repair the Property, if it is economically feasible to do so.

If the Property is abandoned by Borrower, or if Borrower fails to respond to Lender within 30 days from the date notice is mailed by Lender to Borrower that the insurance carrier offers to settle a claim for insurance benefits, Lender is authorized to collect and apply the insurance proceeds at Lender's option either to restoration or repair of the Property or to the sums secured by this Security Instrument.

6. Preservation and Maintenance of Property; Leaseholds; Condominiums; Planned Unit Developments. Borrower shall keep the Property in good repair and shall not commit waste or permit impairment or deterioration of the Property and shall comply with the provisions of any lease if this Security Instrument is on a leasehold. If this Security Instrument is on a unit in a condominium or a planned unit development, Borrower shall perform all of Borrower's obligations under the declaration or covenants creating or governing the condominium or planned unit development, the by-laws and regulations of the condominium or planned unit development, and the constituent documents.

7. Protection of Lender's Security. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or if any action or proceeding is commenced which materially affects Lender's interest in the Property, then Lender, at Lender's option, upon notice to Borrower, may make such appearances, disburse such sums, including reasonable attorneys' fees, and take such action as is necessary to protect Lender's interest. Any amounts disbursed by Lender pursuant to this paragraph 7, with finance charges thereon, at the rate provided in the Credit Agreement, shall become additional indebtedness of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, such amounts shall be payable upon notice from Lender to Borrower requesting payment thereof. Nothing contained in this paragraph 7 shall require Lender to incur any expense or take any action hereunder. Any action taken by Lender under this paragraph shall not cure any breach Borrower may have committed of any covenant or agreement under this Security Instrument. Borrower agrees that Lender is subrogated to all of the rights and remedies of any prior lienor, to the extent of any payment by Lender to such lienor.

8. Inspection. Lender may make or cause to be made reasonable entries upon and inspections of the Property, provided that Lender shall give Borrower notice prior to any such inspection specifying reasonable cause therefor related to Lender's interest in the Property.

9. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of the Property, or part thereof, or for improvements in lieu of condemnation, are hereby assigned to and shall be paid to Lender.

DEED OF TRUST (continued)

11. **Successors and Assigns Bound; Joint and Several Liability; Co-signers.** The covenants and agreements herein contained shall bind, and the rights hereunder shall inure to, the respective successors and assigns of Lender and Borrower, subject to the provisions of paragraph 21 hereof. All covenants and agreements of Borrower shall be joint and several. Any Borrower who co-signs this Security Instrument, but does not execute the Credit Agreement, (a) is co-signing this Security Instrument only to grant and convey that Borrower's interest in the Property to Trustee under the terms of this Security Instrument, (b) is not personally liable under the Credit Agreement or under this Security Instrument, and (c) agrees that Lender and any other Borrower hereunder may agree to extend, modify, forbear, or make any other accommodations or amendments with regard to the terms of this Security Instrument or the Credit Agreement, without that Borrower's consent and without releasing that Borrower or modifying this Security Instrument as to that Borrower's interest in the Property.

12. **Notice.** Except for any notice required under applicable law to be given in another manner, (a) any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing such notice addressed to Borrower at Borrower's last known address as reflected in Lender's records, and (b) any notice to Lender shall be given by mail to Lender's address stated herein or to such other address as Lender may designate by notice to Borrower as provided herein. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given in the manner designated herein.

13. **Governing Law; Severability.** The state and local laws applicable to this Security Instrument shall be the laws of the jurisdiction in which the Property is located. The foregoing sentence shall not limit the applicability of Federal law to this Security Instrument. In the event that any provision or clause of this Security Instrument or the Credit Agreement conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Credit Agreement which can be given effect without the conflicting provision, and to this end the provisions of this Security Instrument and the Credit Agreement are declared to be severable. As used herein, "costs," "expenses" and "attorneys' fees" include all sums to the extent not prohibited by applicable law or limited herein.

14. **Prior Mortgage or Deed of Trust; Modification; Future Advance.** Borrower shall not enter into any agreement with the holder of any mortgage, deed of trust or other security agreement which has priority over this Security Instrument by which that security agreement is modified, amended, extended, or renewed, without the prior written consent of the Lender. Borrower shall neither request nor accept any future advance under a prior mortgage, deed of trust, or other security agreement without the prior written consent of Lender.

15. **Borrower's Copy.** Borrower shall be furnished a copy of the Credit Agreement and a conformed copy of this Security Instrument at the time of execution or after recordation hereof.

16. **Rehabilitation Loan Agreement.** Borrower shall fulfill all of Borrower's obligations under any home rehabilitation, improvement, repair, or other loan agreement which Borrower may enter into with Lender. Lender, at Lender's option, may require Borrower to execute and deliver to Lender, in a form acceptable to Lender, an assignment of any rights, claims or defenses which Borrower may have against parties who supply labor, materials or services in connection with improvements made to the Property.

17. **Waiver of Homestead Exemption.** To the extent permitted by law, Borrower hereby waives the benefit of the homestead exemption as to all sums secured by this Security Instrument.

18. **Waiver of Statutes of Limitation.** To the extent permitted by law, Borrower hereby waives statutes of limitation as a defense to any demand or obligation secured by this Security Instrument.

19. **Merger.** There shall be no merger of the interest or estate created by this Security Instrument with any other interest or estate in the Property at any time held by or for the benefit of Lender in any capacity, without the written consent of Lender.

20. **Notice of Transfer of the Property; Advances after Transfer.** Borrower shall give notice to Lender, as provided in paragraph 12 hereof, prior to any sale or transfer of all or part of the Property or any rights in the Property. Any person to whom all or part of the Property or any right in the Property is sold or transferred also shall be obligated to give notice to Lender, as provided in paragraph 12 hereof, promptly after such transfer.

Even if Borrower transfers the Property, Borrower will continue to be obligated under the Credit Agreement and this Security Instrument unless Lender releases Borrower in writing. As a condition to Lender's consent to any proposed transfer or as a condition to the release of Borrower, Lender may require that the person to whom the Property is transferred sign an assumption agreement satisfactory to Lender and Lender may impose an assumption fee. The assumption agreement will not entitle the person signing it to receive advances under the Credit Agreement.

21. **Transfer of the Property.** Subject to applicable law, Lender shall have the right to accelerate, that is, to demand immediate payment in full of all sums secured by this Mortgage or Deed of Trust, if Borrower, without the written consent of Lender, sells or transfers all or part of the Property or any rights in the Property.

If Lender exercises the option to accelerate, Lender shall give Borrower notice of acceleration in accordance with paragraph 12 hereof. The notice shall provide a period of not less than 30 days from the date of the notice within which Borrower may pay the sums declared due. If Borrower fails to pay those sums prior to the expiration of such period, Lender may, without further notice or demand on Borrower, invoke any remedies permitted by paragraph 22 hereof.

22. **Default; Termination and Acceleration; Remedies.** Each of the following events shall constitute an event of default ("event of default") under this Security Instrument: (1) Borrower commits fraud or makes a material misrepresentation in connection with this Security Instrument or the Credit Agreement; (2) Borrower does not meet the repayment terms of the Credit Agreement; or (3) Borrower's action or inaction adversely affects the Lender's rights in the Property secured by this Security Instrument. Such action or inaction by Borrower would include, but would not be limited to, (a) Borrower's failure to maintain required insurance, (b) Borrower's transfer or sale of the Property without Lender's permission, (c) Borrower's failure to pay taxes on the Property, (d) Borrower permitting the filing of a lien senior to that of the Security Instrument, (e) the Borrower dies and is the sole obligor under the Credit Agreement, (f) the Property is foreclosed upon by a prior lien holder or (g) the Property is taken through eminent domain. If an event of default occurs, Lender, at Lender's option, without further notice or demand (except as may otherwise be provided by applicable law), may declare all sums secured by this Security Instrument to be immediately due and payable, and may invoke the power of sale and any other remedies permitted by applicable law. Lender shall be entitled to collect all reasonable costs and expenses incurred in pursuing the remedies provided in this paragraph, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

DEED OF TRUST (continued)

Trustee shall deliver to the purchaser Trustee's certificate describing the Property and the time when the purchaser will be entitled to Trustee's deed therein. The recitals in Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all reasonable costs and expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees and costs of title evidence; (b) to all sums secured by this Deed of Trust; and (c) the excess, if any, to the person or persons legally entitled thereto.

23. **Borrower's Right to Reinstate.** Whenever the default is nonpayment of sums due under this Security Instrument, and notwithstanding Lender's acceleration of the sums secured by this Security Instrument, Borrower shall have the right to have any foreclosure proceedings commenced by Trustee at the request of Lender to enforce this Security Instrument discontinued if (a) at least seven (7) days prior to date the foreclosure sale is to be held, or such other time period as may be provided by law, Borrower gives written notice to Trustee of Borrower's intention to cure the default and if, on or before the date and time provided by law, Borrower pays to Trustee all delinquent principal and interest payments which are due as of the date of such payment exclusive of the portion of principal which would not have been due in the absence of acceleration, plus costs, expenses, late charges, attorney's fees, public trustee's fees and costs, and other fees incurred by Lender as of the date of payment in connection with such foreclosure proceedings; (b) Borrower cures all breaches or any other covenants or agreements of Borrower contained in the Security Instrument; and (c) Borrower takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's interest in the property and Borrower's obligations to pay the sums secured by this Security Instrument shall continue unimpaired. Upon such payment and cure by Borrower, this Security Instrument and the obligations secured hereby shall remain in full force and effect as if no acceleration had occurred.

24. **Assignment of Rents; Appointment of Receiver; Lender in Possession.** As additional security hereunder, Borrower hereby assigns to Lender the rents of the Property, provided that Borrower shall, prior to acceleration under paragraph 22 hereof or abandonment of the Property, have the right to collect and retain such rents as they become due and payable. Upon acceleration under paragraph 22 hereof or abandonment of the Property, Lender in person, by agent or by judicially appointed receiver shall be entitled to enter upon, take possession of and manage the Property and to collect the rents of the Property including those past due. All rents collected by Lender or the receiver shall be applied first to payment of the costs of management of the Property and collection of the rents, including, but not limited to, receiver's fees, premiums on receiver's bonds and reasonable attorney's fees, and then to the sums secured by this Security Instrument. Lender and the receiver shall be liable to account only for those rents actually received.

25. **Release.** This Security Instrument secures a revolving line of credit and advances may be made, repaid, and remade from time to time, under the terms of the Credit Agreement. When, according to the terms of the Credit Agreement, no more advances will be made, and Borrower has paid all sums secured by this Security Instrument (or earlier if required by applicable law), Lender shall request Trustee to release this Security Instrument and shall surrender the Credit Agreement to Trustee. Trustee shall release this Security Instrument without further inquiry or liability. To the extent permitted by law, Lender may charge Borrower the statutory Trustee's fees and require Borrower to pay costs of recordation, if any.
