Re: Sterling Ranch
SKP-18-003 - Sketch Plan Amendment

Date: August 13, 2018

M.C.E.

Our office is in receipt of documents for review regarding the above-noted matter. Please be advised that the County Attorney's Office will provide a written water review for the Sterling Ranch subdivision at the Preliminary Plan or Final Plat stage as necessary. Until then, the County Attorney's Office would recommend a finding of insufficiency as to water quantity and dependability.

Thank you.
