Falcon Storage Expansion Transportation Memorandum (LSC #S214430) August 12, 2021

1 Please be sure to provide a truck turning exhibit for the proposed access and recommendations for the gate location to ensure sufficient queuing without blocking the road.

2 Only the cover page of the TIS was submitted. Please submit the entirety of the report for review.

Traffic Engineer's Statement

This traffic report and supporting information were prepared under my responsible charge and they comport with the standard of care. So far as is consistent with the standard of care, said report was prepared in general conformance with the criteria established by the County for traffic reports.

Developer's Statement

I, the Developer, have read and will comply with all commitments made on my behalf within this report.
