### **Springs at Waterview Sketch Plan Amendment, SKP-18-002**

Please accept the following updated comments from El Paso County Public Health (EPCPH) regarding the sketch plan amendment referenced above:

- No El Paso County Public Health issue noted with the proposed amendment to the sketch plan.
- Widefield Water and Sanitation District will provide water and wastewater services to the property.
- El Paso County Public Health encourages planned walk-ability of residential and commercial areas. Please consider appropriate connections to commercial areas through the use of sidewalks, and bike trails. Walk-ability features help reduce obesity and associated heart diseases.
- Earthmoving activities Earthmoving activities greater than 25 acres require a Construction Activity Permit from the Colorado Department of Public Health and Environment, Air Pollution Control Division. Go to the El Paso County Public Health site <http://www.elpasocountyhealth.org/service/air-quality> for the link to the Colorado Department of Public Health and Environment, Air Pollution Control Division, for the permit application.
