Dear Sir,

As a 20+ year resident of Black Forest, rebuilding after the fire took our home, we rebuilt here on the same property because BF and the community are so important to us. I don't want this rezoning to happen. We Black Foresters have worked very hard for decades now to preserve our quiet sanctuary and peaceful way of life. The potential rippling effects of waiving this law would ruin Black Forest. Please vote no!! Thank you!
