WHEREAS, Fridah Joanitah Wood did file an application with the El Paso County Planning and Community Development Department for approval of a Vacation and Replat request to legalize a parcel of land that was split off from a previously platted lot within the RR-5 (Residential Rural) zoning district for property in the unincorporated area of El Paso County as described in Exhibit A, which is attached hereto and incorporated herein by reference; and

4. All exhibits were received into evidence;

5. The proposed land use does not permit the use of an area containing a commercial mineral deposit in a manner which would interfere with the present or future extraction of such deposit by an extractor;
6. All data, surveys, analyses, studies, plans, and designs as are required by the State of Colorado and El Paso County have been submitted, reviewed, and found to meet all sound planning and engineering requirements of the El Paso County subdivision regulations;
7. For the above-stated and other reasons, the proposed Vacation and Replat is in the best interest of the health, safety, morals, convenience, order, prosperity, and welfare of the citizens of El Paso County; and

WHEREAS, this Board further finds that the application meets the criteria of approval listed in Section 7.2.3.C.4 of the Land Development Code ("Code") (as amended):

1. The Replat complies with the Code and the original conditions of approval associated with the recorded Plat;

3. The Replat is in keeping with the purpose and intent of the Code;
4. The Replat conforms to the required findings for a Minor or Major Subdivision, whichever is applicable;
5. Legal and physical access is provided to all parcels by public rights-of-way or recorded easement acceptable to the County in compliance with the Code and the Engineering Criteria Manual ("ECM");
6. The approval will not adversely affect the public health, safety, and welfare;
7. Where the lots or parcels are subject to any CC&Rs or other restrictions, that any potential conflict with the CC&Rs or other restrictions resulting from the Replat has been resolved; and

WHEREAS, a sufficient water supply has been acquired in terms of quantity, quality, and dependability for the type of Subdivision proposed, as determined in accordance with the standards set forth in the water supply standards [C.R.S. § 30-28-133(6)(a)] and the requirements of Chapter 8 of the Code;

NOW, THEREFORE, BE IT RESOLVED that the Board of County Commissioners of El Paso County, Colorado, hereby approves the Vacation and Replat of Peyton Ranches Filing No. 1A;

CONDITIONS

1. All Deed of Trust holders shall ratify the plat. The applicant shall provide a current title commitment at the time of submittal of the Mylar for recording.
2. Colorado statute requires that at the time of the approval of platting, the subdivider provides the certification of the County Treasurer's Office that all ad valorem taxes applicable to such subdivided land, or years prior to that year in which approval is granted, have been paid. Therefore, this plat is approved by the Board of County Commissioners on the condition that the subdivider or developer must provide to the Planning and Community Development Department, at the time of recording the plat, a certification from the County Treasurer's Office that all prior years' taxes have been paid in full.
3. The subdivider or developer must pay, for each parcel of property, the fee for tax certification in effect at the time of recording the Final Plat.
4. Driveway permits will be required for each access to an El Paso County owned and maintained roadway. Driveway permits are obtained from the appropriate El Paso County staff.
5. Applicant shall comply with all requirements contained in the Water Supply Review and Recommendations, 4/18/2025 as provided by the County Attorney's Office.

NOTATIONS

1. The following fees are required to be paid to El Paso County at the time of Final Plat recordation:

2. Final Plats not recorded within 24 months of Board of County Commissioner approval shall be deemed expired unless an extension is approved.

3. Subdivider(s) agrees on behalf of him/herself and any developer or builder successors and assignees that Subdivider and/or said successors and assigns shall be required to pay traffic impact fees in accordance with the El Paso County Road Impact Fee Program Resolution (Resolution No. 25-337), or any amendments thereto, at or prior to the time of building permit submittals.
