Cherokee Plat Note Re: Basin Transfer/Insufficiency: Water and wastewater services for this subdivision are provided by the Cherokee Metropolitan District (Cherokee)

subject to the District's rules, regulations and specifications. The Office of the State Engineer has issued an opinion of

water inadequacy based on its analysis and interpretation of a stipulated agreement concerning the availability of certain water rights for use outside of the Upper Black Squirrel Creek Designated Basin, and thus found insufficiency of water resources for this subdivision based on that agreement. This interpretation differs from certain opinions issued by the Office

agreement and its history (and not the amount of water actually available) the Board of County Commissioners in an open and public hearing did not accept the interpretation of

long term water service capabilities are sufficient. The Board

of County Commissioners made this determination in reliance

upon the testimony and expertise provided by Cherokee at the

public hearing thereon. At the hearing, Cherokee asserted

– Other Hazard: Poor Soil/s Quality as it relates to Drainage during construction.

Any future construction or dhanges to buildings should be accompanied by a site-specific soil and foundation investigation to determine the engineering/properties of the soils. A geologic hazard report that includes the identification of any hazards or constraints imposed by géologic conditions should accompany any report submitted in support of new construction.

There is no construction as a result of this minor replat.

17. Water and wastewater services for this subdivision are provided by the Cherokee Metropolitan District (Cherokee) subject to the District's rules, regulations and specifications.

18, NOTICE OF POTENTIAL AIRCRAFT OVERFLIGHT AND NOISE IMPACT ASSOCIATED WITH AIRPORT: This serves as notice of potential aircraft overflight and noise impacts on this property due to its close proximity to an airport, which is being disclosed to all prospective purchasers considering the use of this property for residential and other purposes. This property is subject to the overflight and associated noise of arriving and departing aircraft during the course of normal airport operations. All property within this subdivision is subject to an Avigation Easement as recorded at Book 2465, Pages 481 and 759 of the records of the El Paso County Clerk and Recorder.

19. All property within this subdivision is subject to a Declaration of Covenants as recorded in instrument recorded December 13, 1982 in Book 3621 at Page 592. Amendment recorded December 3, 1985 in Book 5095 at Page 982 of the records of the El Paso County Clerk and Recorder.

20. Reciprocal Access/Parking Agreement: All property within this subdivision is subject to a Reciprocal Access/Parking Agreement as described in the Covenants recorded October 13, 1982 in Book 3621 at Page 592. Amendment recorded December 3, 1985 in Book 5095 at Page 982 of the records of the El Paso County Clerk and Recorder.

21. The Subdivider(s) agree(s) on behalf of himself/herself and any developer or builder successor and assignees that Subdivider and/or said successor and assigns shall be required to pay traffic impact fees in accordance with the El Paso County Road Impact Fee Program Resolution (Resolution No 19-471), or any amendments thereto, at or prior to the time of building permit submittals. The fee obligation, if not paid at final plat recording, shall be documented on all sales documents and on plat notes to ensure that a title search would find the fee obligation before sale of the property.
