**SUBJECT: Monument Academy Subdivision
Detention Basin Certification Letter**

Ladies and Gentlemen:

Drainage improvements for this subdivision include two private Detention Basins (“Detention Pond C14” and “Detention Pond M3”). Based upon information gathered from periodic site visits to the project, JPS Engineering, Inc. is of the opinion that Detention Basin C14 and Detention Basin M3 have been constructed in general compliance with the approved design plans as filed with El Paso County. The approved construction drawings accurately depict the final installation of the detention basin improvements and the as-built survey has confirmed that the minimum required detention volume is provided.

Sincerely,
JPS Engineering, Inc.

John P. Schwab, P.E.
Colorado P.E. No. 29891
