Dear Mr. Carlisle:

This letter responds to your request for a jurisdictional determination (JD) for property located at latitude 38.98541389, longitude -104.55472222, in El Paso County, Colorado. We have assigned Action No. SPA-2021-00201 to your request. Please reference this number in all future correspondence concerning the site.

Based on the information provided, we have determined that the site contains both waters of the United States that are subject to regulation under Section 404 of the Clean Water Act and aquatic resources that are not waters of the United States. As referenced on the enclosed map, aquatic resources A and D are waters of the United States, while aquatic resources C and B are not waters of the United States. If you intend to conduct work that could result in a discharge of dredged or fill material into waters of the United States, please contact this office for a determination of Department of the Army permit requirements and refer to Action No. SPA-2021-00201.

The basis for this approved JD (enclosed) is that the project site contains the following:

- 1) relatively permanent waters that flow directly or indirectly into traditional navigable waters;
- 2) abutting or adjacent wetlands to relatively permanent waters; and,
- 3) isolated, intrastate, wetlands and other waters.

A copy of this JD is also available at <http://www.spa.usace.army.mil/reg/JD>. This approved JD is valid for five years unless new information warrants revision of the determination before the expiration date.

You may accept or appeal this approved JD or provide new information in accordance with the attached Notification of Administration Appeal Options and Process

and Request for Appeal (NAAOP-RFA). If you elect to appeal this approved JD, you must complete Section II of the form and return it to the Army Engineer Division, South Pacific, CESPDPDS-O, Attn: Tom Cavanaugh, Administrative Appeal Review Officer, P.O. Box 36023, 450 Golden Gate Ave, San Francisco, CA 94102 within 60 days of the date of this notice. Failure to notify the Corps within 60 days of the date of this notice means that you accept the approved JD in its entirety and waive all rights to appeal the approved JD.
