

MEMO

To: Kari Parsons
From: Gregory Panza, PE
Subject: FEMA LOMR, CLOMR, LOMA
Project Name: Grandview Reserve Geick Basin Channel
Date: 03/23/2023

HR Green has submitted the Main Stem and Main Stem Tributary through the Grandview Reserve site to FEMA as a CLOMR application. We are currently awaiting comments from FEMA, and a LOMR will be submitted upon the completion of all improvement construction.

Provide a Final Drainage Report for review.

And update per all
