

MEMO

To: Kari Parsons
From: Gregory Panza, PE
Subject: FEMA LOMR, CLOMR, LOMA
Project Name: Grandview Reserve Geick Basin Channel
Date: 01/25/2024

HR Green has submitted the Main Stem Tributary through the Grandview Reserve site to FEMA as a CLOMR application. We are currently awaiting comments from FEMA, and a LOMR will be submitted upon the completion of all improvement construction.

A handwritten signature in black ink, appearing to read 'Greg Panza', with a long horizontal stroke extending to the right.

Comments from Review #1 are still unresolved.
