RE: RMS Utilities Inc. – Letter of Intent
Work with State Highway 85/87 Right-of-Way

Dear Mr. Ausbun,

This letter is to confirm that RMS Utilities Inc. will be installing a new raw water pipeline on behalf of the Stratmoor Hills Water District. A portion of this water pipeline will be within the right-of-way of State Highway 85/87, between South Academy Boulevard and Glenarm Road in Colorado Springs.

If you have any questions or need additional information, please contact me.

Sincerely,

Kevin Niles
District Manager

Please address drainage and traffic impacts in the letter of intent.

For drainage please provide the following:

- Please provide a statement confirming that the drainage due to the proposed construction will not adversely affect the downstream or surrounding properties.
- If the proposed proposed project will disturb less than 1 acre please state it in this letter. Provide the approximate area of disturbance for the proposed project and the approximate width and depth of the excavation to be done.
- Please state that the appropriate sediment/erosion control measures will be implemented.

For Traffic please provide the following:

- If the only traffic generated by the development will be for the construction/installation of the proposed waterline then please state it.
- Please state that the appropriate traffic control measures will be implemented and that a work in the ROW permit will be obtained.
