

**EXHIBIT B – 1041 APPLICATION FORM**

Exhibit B

APPLICATION FOR A PERMIT TO CONDUCT A  
DESIGNATED ACTIVITY OF STATE INTEREST OR TO  
ENGAGE IN DEVELOPMENT IN A DESIGNATED AREA  
OF STATE INTEREST

To: Permit Authority, El Paso County

Re: Town of Ramah Wastewater System – Sewer Lift Station & Wastewater Treatment Plant  
as a matter of state interest.

From: Dennis Carpenter, Town of Ramah Mayor  
113 S. Commercial Street  
Ramah, CO 80832  
(719) 541-2163

Date Submitted: June 8, 2022

Date Received and Accepted as Complete:

1. Matter of State Interest.

The applicant requests that a permit be issued for each of the items checked below: A  
permit to conduct one or more of the following matters of state interest:

- ~~a. Efficient utilization of municipal and industrial water projects~~
- b. Site selection and construction of major new domestic water and sewage treatment systems and/or major extension of existing domestic water and sewage treatment systems
- ~~c. Site selection and construction of major facilities of a public utility~~
- ~~d. Development in areas containing or having a significant impact upon floodplain-natural hazard areas~~
- ~~e. Site selection and expansion of airports~~
- ~~f. Site selection of arterial highways and interchanges and collector highways~~
- ~~g. Site selection of rapid or mass transit facilities~~

2. Proposed Activity or Development.

how many acre feet?

General description of the specific activity or development proposed:

The project consists of the decommissioning and replacement of the existing Town of Ramah Wastewater Treatment Plant (WWTP). The proposed project includes constructing an evaporation pond wastewater treatment facility that occurs on a property separate from the existing wastewater facility. The proposed system will be non-discharging. In summary, the proposed processes to be constructed and installed include the influent lift station, emergency overflow storage, magnetic flow meter, sewer force main, manually raked bar screen, three evaporative ponds, and synthetic liners in all ponds. Operation of the lift station and evaporative ponds as well as maintenance of all piping and equipment will be the responsibility of the Owner. See the Site Application Reports in Exhibit H for additional project details.

please provide the parcel numbers to which the lines, ponds, lift station etc will cross over or under.

sizes of ponds

size of pipe/linear feet or miles

3. Location of Development:

A general, nonlegal description and the popular name, if any, of the tract of land upon which the activity or development is to be conducted:

please provide road names that are adjacent to site or addresses.

The Town of Ramah is located in eastern Colorado, in the NE corner of El Paso County, approximately 29 miles southwest of Limon. The service area is located in Section 1, Township 11S, Range 61W, 6th Principal Meridian.

4. Legal Description.

The legal description, including the acreage, of the tract of land upon which the development or the activity is to be conducted, by metes and bounds or by government survey description: (attach additional sheets if necessary):

See Exhibit H.

5. Owners and Interests.

does EPC or State own any of the ROW/land that will be used for system or lines?

Set out below the names of those persons holding recorded legal, equitable, contractual and option interests and any other person known to the applicant having any interest in the property described in paragraph 4, above, as well as the nature and extent of those interests for each person, provided that such recorded interests shall be limited to those which are recorded in the El Paso County Clerk and Recorder's Office, the land office of the Bureau of Land Management for this State, the Office of the State Board of Land Commissioners of the Department of Natural Resources, or the Secretary of State's Office of this State (attach additional sheets if necessary):

Dennis Carpenter, Town of Ramah Mayor

6. Submission Requirements.

Submission requirements described in the Guidelines and Regulations for Areas and Activities of

State Interest of El Paso County for each of the activities or areas checked in paragraph 1 above, are attached to this application. Those attachments are identified, by letter or number, and described by title below:

2.303 – Submission Requirements for all Permit Applications; Waivers

4.201 – Application Submission for Site Selection and Construction of Major New Domestic Water and Sewage Systems and Major Extensions of Existing Water and Sewage Treatment Systems

Please see the Table of Contents for the location of responses and supporting exhibits.

7. Additional Information Required:

Attach any additional information required by the Guidelines and Regulations, and as may be required by the Development Services Department Director.

Planning and Community Development Director, as requested in EDARP.

8. Duration of Permit.

The Applicant requests a permit for a period of one (1) year.

indefinitely as wastewater system is ongoing

9. Application Fee.

The required application fee is submitted herewith.

APPLICANT:

By:

A handwritten signature in black ink, appearing to read "Dennis Carpenter", written over a horizontal line.

Dennis Carpenter
