To whom it may concern,

Please accept this letter as confirmation that TowerCo VI, LLC ("TowerCo") has more than sufficient assets and available funding to build and maintain our towers. TowerCo is a direct subsidiary of TowerCo VI Holdings, LLC. As a private company, TowerCo does not release its financial statements to the public, but it has over \$65 million of total assets, and over \$500 million of debt and equity funding available for future needs. TowerCo and its related entities combined are one of the largest privately held tower companies in the US. We have been in existence for over 20 years, with a very successful track record of growth, and we plan to continue for many years.

Kind regards,

Mike Smith
