Project Number: PUDSP 204 and SF 2018

Description: Meridian Ranch Investments, Inc. is requesting approval for the PUD and Final Plat of The Estates at Rolling Hills Ranch, Filing #2. This proposed development is designed with 98 single family residential lots along with tracts, open spaces and road right of ways on approximately 117 acres. This development is located north of Rex Road and east of Meridian Road in Section 19 and 20, Township 12 South, Range 64 West.

This area is within MVEA certificated service area. MVEA will serve this area according to our extension policy. Connection requirements may include provisions for necessary line extensions and or other system improvements, and payment of all fees under MVEA line extension policy. Information concerning these requirements can be obtained by contacting the Engineering Department of MVEA.

MVEA requests a ten (10) foot front, side and rear lot line utility easement along with a twenty (20) foot exterior easement on plat. MVEA also requests platting of existing MVEA facilities with easement on the plat. If open space, drainage, and landscape tracts are designed in this subdivision MVEA requests these areas be listed to include utilities.

Additional easements may be required once a review of civil drawings with grading and erosion plan is provided to MVEA.

If the above easement(s) are not provided on the final plat MVEA may not be able to serve the subdivision.

This Association is an equal opportunity provider and employer.
