BOARD OF COUNTY COMMISSIONERS
COUNTY OF EL PASO, STATE OF COLORADO

APPROVAL OF MAP AMENDMENT (REZONING)
NEEDLES HIGHWAY 83 REZONING RR-5 TO RR-2.5 (P268)

WHEREAS, North Ranch LLC did file an application with the El Paso County Planning and Community Development Department for an amendment to the El Paso County Zoning Map to rezone for property located within the unincorporated area of the County, more particularly described in Exhibit A, which is attached hereto and incorporated by reference from the RR-5 (Residential Rural) zoning district to the RR-2.5 (Residential Rural) zoning district; and

WHEREAS, a public hearing was held by the El Paso County Planning Commission on September 2, 2026, upon which date the Planning Commission did by formal resolution recommend approval of the subject map amendment application; and

WHEREAS, a public hearing was held by the El Paso County Board of County Commissioners on September 24, 2026; and

WHEREAS, based on the evidence, testimony, exhibits, consideration of the master plan for the unincorporated area of the County, presentation and comments of the El Paso County Planning and Community Development Department and other County representatives, comments of public officials and agencies, comments from all interested persons, comments by the general public, comments by the El Paso County Planning Commission Members, and comments by the Board of County Commissioners during the hearing, this Board finds as follows:

1. That the application was properly submitted for consideration by the Board of County Commissioners;
2. That proper posting, publication, and public notice were provided as required by law for the hearings before the Planning Commission and the Board of County Commissioners;
3. That the hearings before the Planning Commission and the Board of County Commissioners were extensive and complete, that all pertinent facts, matters, and issues were submitted and reviewed, and that all interested persons were heard at those hearings;
4. That all exhibits were received into evidence;
5. That the proposed land use does not permit the use of any area containing a commercial mineral deposit in a manner, which would interfere with the present or future extraction of such deposit by an extractor;
