I hereby acknowledge and agree to the following:

"Pursuant to Section 5.2.29 of the El Paso County Land Development Code, I understand
that extended family housing is not allowed resulting in more than one house on a parcel
of land unless an affidavit is signed and recorded in the Office of the El Paso County
Clerk and Recorder whereby I as Owner acknowledge and agree that the extended family
housing proposed as part of this development application and to be located on the above
referenced property may not be leased or rented, and shall only be utilized to provide
non-permanent living arrangements to house immediate family members whom are
elderly, disabled, or demonstrate a family need.

I hereby acknowledge that I have read, understand, and will abide by the provisions of
the El Paso County Land Development Code, agree with the limitations contained in the
County approval of my permit, and understand that failure to comply with the El Paso

the requirement to remove of the extended family housing. I understand that it is my

change in family circumstances rendering the extended family housing unnecessary.

I understand that as owner I am responsible for maintaining compliance with all well permit or water use conditions or restrictions.

I understand the following definition applicable to extended family housing from the El Paso County Land Development Code:

Guest House

Lodging attached to the principal dwelling or located within a garage or accessory structure which may be occupied only by occasional, non-paying guests or visitors of the family residing in the principal dwelling. A guest house is not considered a dwelling unit. Extended family housing is a form of guest house utilized on a non-permanent basis to house immediate family members that require housing due to age, disability, or family need. A family member shall be related by blood, half blood or at law, and which term "at law" also includes in-law relationships arising from a deceased or former spouse.

The extended family housing shall be removed within 3 months after the need no longer exists or 3 months after the date of the expiration of the permit, if one is specified, unless an application to legalize this use is submitted or an application to subdivide the property is submitted.
