The following conditions and notations shall be placed upon this approval:

#### **CONDITIONS**

1. All Deed of Trust holders shall ratify the plat. The applicant shall provide a current title commitment at the time of submittal of the Mylar for recording.
2. Colorado statute requires that at the time of the approval of platting, the subdivider provides the certification of the County Treasurer's Office that all ad valorem taxes applicable to such subdivided land, or years prior to that year in which approval is granted, have been paid. Therefore, this plat is approved on the condition that the subdivider or developer must provide to the Planning and Community Development Department, at the time of recording the plat, a certification from the County Treasurer's Office that all prior years' taxes have been paid in full.
3. The subdivider or developer must pay, for each parcel of property, the fee for tax certification in effect at the time of recording the plat.
4. The applicant shall submit the Mylar to Enumerations for addressing.

5. The developer shall comply with federal and state laws, regulations, ordinances, review and permit requirements, and other agency requirements, if any, of applicable agencies including, but not limited to, the Colorado Parks and Wildlife, Colorado Department of Transportation, U.S. Army Corps of Engineers and the U.S. Fish and Wildlife Service regarding the Endangered Species Act, particularly as it relates to the Preble's Meadow Jumping Mouse as a listed species.
6. Driveway permits will be required for each access to an El Paso County owned and maintained roadway. Driveway permits are obtained from the El Paso County Planning and Community Development Department.
7. The Subdivision Improvements Agreement, including the Financial Assurance Estimate as approved by the ECM Administrator, shall be filed at the time of final plat recordation.
8. Collateral sufficient to ensure the public improvements as listed in the approved Financial Assurance Estimate shall be provided when at the time of final plat recordation.
9. The County Attorney's Conditions of Compliance shall be adhered to at the appropriate time.
10. The subdivider(s) agrees on behalf of him/herself and any successors and assignees that subdivider and/or said successors and assigns shall be required to pay traffic impact fees in accordance with the El Paso County Road Impact Fee Program Resolution (Resolution No. 19-471), or any amendments thereto, at or prior to the time of building permit submittals. The fee obligation, if not paid at final plat recording, shall be documented on all sales documents and on plat notes to ensure that a title search would disclose the fee obligation before sale of the property.
11. Urban park fees (Area 3) will not be required pursuant to the existing Park Lands Agreement for urban park land dedication. Regional park fees (Area 2) will not be required pursuant to the existing Park Lands Agreement for regional park land dedication.

## **NOTATIONS**

1. Approval of the final plat will expire after twenty-four (24) months unless the final plat has been recorded or a request for extension has been granted.

2. Per Board of County Commissioners Resolution 13-41, property within the Woodmen Road Metropolitan District is currently exempt from participation within the El Paso County Road Impact Fee Program. The final plat area is included within the Woodmen Road Metropolitan District.
