Dear Ms. Darden:

Mountain View Electric Association, Inc. (MVEA) has these comments about the following:

**Project Name: 14650 Eastonville Vacation**

**Description:** Lee Wilwerding is requesting the vacation of a utility easement that was attached to a side lot line in which the side lot line was vacated earlier. The address of this parcel is 14650 Eastonville Road in Elbert, CO on the northwest corner of Eastonville Road and Murphy Road. This lot is in Section 32, Township 11 South, Range 64 West in El Paso County.

MVEA currently has electric facilities in this lot, which MVEA serves according to our extension policy. Information concerning connection requirements, fees and upgrades under MVEA line extension policy can be obtained by contacting the Engineering Department of MVEA. The removal or relocation of any existing electric facilities will be at the expense of the applicant.

MVEA does not object to the vacation of the easement that was attached to the internal lot line which was vacated previously.

If additional information is required, please contact our office at (719) 495-2283.

Sincerely,

Cathy Hansen-Lee  
Engineering Administrative Assistant

This Association is an equal opportunity provider and employer.
