The American Dream: History and Culture

The American Dream is a concept that has shaped the nation's identity and aspirations. It represents the pursuit of a better life, often defined by economic success, social mobility, and the fulfillment of personal goals. This dream has been a driving force behind the country's growth and innovation, inspiring generations to strive for excellence and progress.

Petition to Stop Proposed Drug and Alcohol Facility at the Ramada Hotel, 1865 Woodmoor Drive, Monument, Colorado

Petition Summary and Background
 This proposed facility will jeopardize and put at extreme high-risk public safety and health. The proposed facility will place our children, local residents and home owners, and local retailers in extreme danger and at a financial disadvantage as extensively documented by external studies. The proposed facility location is non-compliant with Colorado's Drug-Free School Zone Laws (C.R.S.A. 18-1-3-407), Federal and State The Americans With Disabilities Act (28 CFR 35.102-35.104); and Substance Abuse and Mental Health Services Administration (SAMHSA) requirements.

Action Petitioned for
 We, the undersigned, are concerned citizens who urge our leaders to act now to stop the proposed Drug and Alcohol Facility at the Ramada Hotel, 1865 Woodmoor Drive, Monument, Colorado.
