Dear Mr. Dickson:

Mountain View Electric Association, Inc. (MVEA) has these comments about the following:

Project Name: Falcon Fire Exemption

Project Number: EX 202

Description: Falcon Fire Protection District is requesting approval for a subdivision exemption for a 5.42 acre parcel north of Highway 24 and southwest of Meridian Road for a fire house. This parcel is located in Section 12, Township 13 South, Range 65 West.

This area is within MVEA certificated service area. MVEA will continue to serve this area according to our extension policy. Information concerning connection requirements, fees and upgrades under MVEA line extension policy can be obtained by contacting the Engineering Department of MVEA.

MVEA has no objection to the subdivision exemption for Falcon Fire #3.

MVEA has existing facilities near and within this parcel of land. If there is any removal or relocation of facilities it will be at the expense of the applicant.

If additional information is required, please contact our office at (719) 495-2283.

Sincerely,
