Construction Drawing Review Submission

Highway 105 Turn Lane Improvements for Colorado Kids Ranch

El Paso County, Colorado

Project Description

Colorado Kids Ranch is proposing roadway improvements along Highway 105 to enhance vehicular access, operational efficiency, and traffic safety for the existing facility. The proposed improvements consist of the design and construction of turn lane facilities on Highway 105 at the primary access point serving the Colorado Kids Ranch property.

The purpose of the project is to accommodate existing and anticipated traffic volumes associated with the operations.
