Agenda Item Title: Homestead North at Sterling Ranch Filing No. 3 Preliminary Plan and Rezone

Agenda Date: September 14, 2022

Agenda Item Number:

Presenter: Ross Williams, Park Planner

Information: **Endorsement:** X

Background Information:

This is a request by N.E.S., Inc. on behalf of Classic SRJ Land, LLC, for endorsement of the Homestead North at Sterling Ranch Filing No. 3 Preliminary Plan, which includes 77 single-family residential lots on 40.83 acres. The property is being rezoned concurrently from RR-5 to RS-6000, and is located along Vollmer Road, north of Woodmen Road and west of Meridian Road.

The 2013 El Paso County Parks Master Plan shows a proposed regional trail connection impacted by the project. The proposed Sand Creek Primary Regional Trail alignment traverses generally north-south through the eastern portion of the property, along the western bank of Sand Creek. The proposed regional trail is depicted in the Homestead North at Sterling Ranch Filing No. 3 Preliminary Plan and Landscape Plans, labeled as "15' County Gravel Trail," and will be collocated with a maintenance access road along the western bank of Sand Creek. Within Sterling Ranch, the trail will end at Poco Road before continuing northward into the Retreat at Timber Ridge, although the Preliminary Plan shows it ending at Jesse Evans Drive, just south of Poco Road. The Final Plat and Landscape Plans also show concrete sidewalks/trails located adjacent Vollmer Road.

Furthermore, the proposed Vollmer Road Bicycle Route is located immediately west of the project location. Dedicated public rights-of-way and planned concrete sidewalks already exist along the aforementioned bicycle route, so no easement requests are necessary at that location; however, the applicant is advised that multi-modal transportation options will be developed within the Vollmer Road right-of-way in the future.

The 2022 El Paso County Parks Master Plan includes an update to the Candidate Open Space Areas, utilizing a weighted overlay of numerous natural and man-made attributes which contribute to strong candidate open space areas. Homestead North at Sterling Ranch Filing No. 3 falls completely within the bounds of the updated Black Forest South Candidate Open Space Area. Open space attribute values here include the Sand Creek corridor, surface water and wetland areas, floodplains, moderate wildlife impacts, and open high prairie grasslands along the southern boundary of Black Forest. The applicant's continuing efforts to protect and reestablish a sustainable Sand Creek corridor address these attributes and contribute in some degree to their conservation.

Homestead North at Sterling Ranch Filing No. 3 Preliminary Plan contains 11.77 acres dedicated to open space, parks, trails, and landscape tracts, comprising 28.8% of the total

project area, although the El Paso County Land Development Code's 10% open space requirement is not applicable to projects that are not zoned PUD. According to the Homestead North at Sterling Ranch Filing No. 3 Preliminary Plan and Landscape Plans, a 1.77-acre neighborhood park is planned for Tract B alongside a larger stormwater detention facility and open space tract (Tract C). The applicant's Letter of Intent states the following in regard to parks, trails, and open spaces:

- *"The Sterling Ranch master planned community includes community parks, neighborhood parks, and open spaces, which are served by an interconnected system of trails to create a recreation-oriented community. The Homestead North Filing No. 3 Preliminary Plan provides 11.77-acre system of parks, open spaces and trails is intended to provide a comprehensive off-street pedestrian circulation system to supplement the standard sidewalks along streets. Homestead North Filings 1, 2, and 3 are being planned as one community, with various park experiences provided throughout the area. Parks have been located so that residents have a short walk to these facilities. These parks and trails will be owned and maintained by the Sterling Ranch Metropolitan District."*
- *"The Trails Master Plan map identifies a proposed Regional Trail adjacent to Sand Creek through Sterling Ranch. This has been accommodated in the Sterling Ranch filings already approved and in progress on the west side of the creek, including this submittal. Multiple local trails will be included for circulation and recreational use throughout Sterling Ranch. These trails will be owned and maintained by the Sterling Ranch Metropolitan District."*
- *"The primary natural physical feature on the site is the Sand Creek channel, which is preserved and incorporated into the overall design for Sterling Ranch and this Preliminary Plan. This area will have an adjacent trail network, a community park south of Filing 3 and sufficient open space in Tracts A-G (11.77 AC)."*
- *"5-foot sidewalks are included throughout the project and connect to the proposed Sterling Ranch community trails and the Sand Creek Regional Trail, which provide opportunities for pedestrian and bicycle transportation."*

Due to the location of the Sand Creek Primary Regional Trail within the Homestead North at Sterling Ranch Filing No. 3, El Paso County Parks staff recommends that the applicant designate, provide, and dedicate to El Paso County a 25-foot trail easement that allows for public access, as well as construction and maintenance of the regional trail, and show the dedication within the Final Plat and General Plat Notes. Furthermore, staff recommends fees in lieu of land dedication for regional and urban park purposes.

Recommended Motion (Filing No. 3 Preliminary Plan):

The Park Advisory Board recommends that the Planning Commission and the Board of County Commissioners include the following conditions when considering and/or approving Homestead North at Sterling Ranch Filing No. 3 Preliminary Plan: (1) designate and provide to El Paso County a 25-foot trail easement through Homestead North at Sterling Ranch Filing No. 3, within Tract C extending to its terminus at Poco Road, that allows for public access, as well as construction and maintenance of the Sand Creek Primary Regional Trail, and dedicate the easement to El Paso County prior to the recording of the forthcoming final plat(s); 2) fees in lieu of land dedication for regional park purposes in the amount of \$35,420 and urban park purposes in the amount of \$22,330 will be required upon recording of the forthcoming final plat(s).
