Agenda Item Title: Settlers View Subdivision Preliminary Plan and Rezone

Agenda Date: August 9, 2017

Agenda Item Number:

Presenter: Ross Williams, Park Planner

Information: Endorsement: X

Background Information:

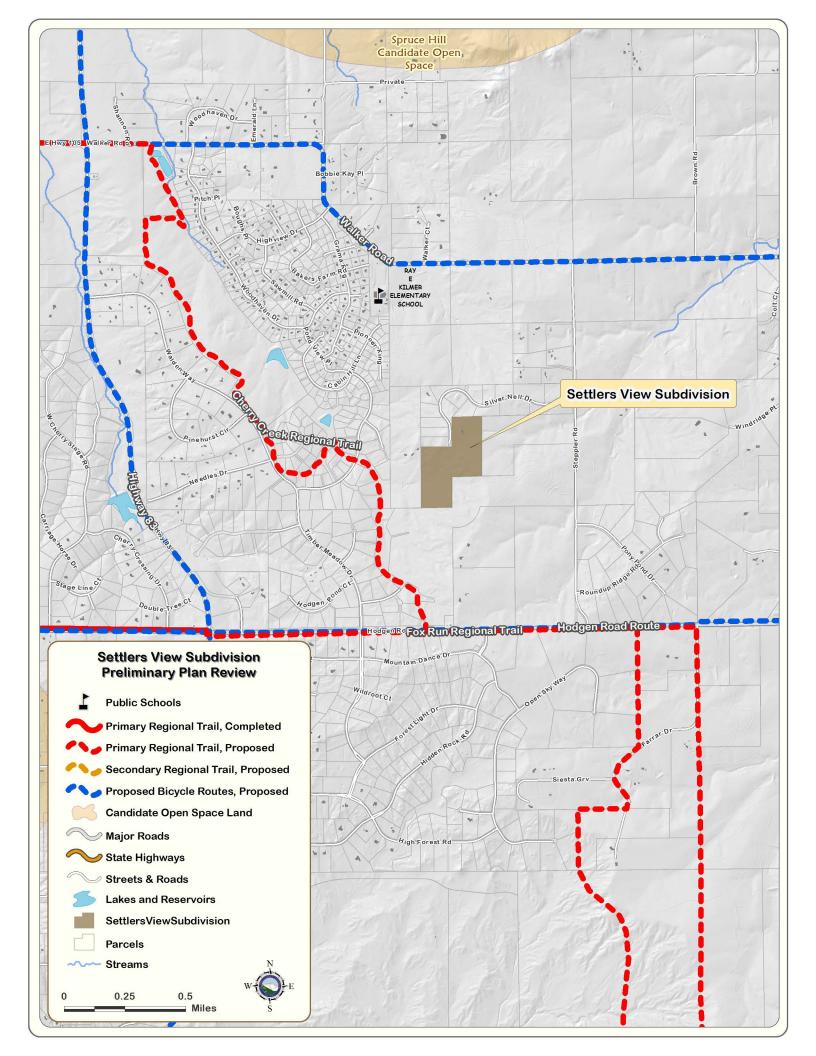

Request for approval by Hannigan and Associates, Inc., on behalf of Gary and Brenda Brinkman for a 14 residential lot subdivision totaling 40.61 acres, with a minimum lot size of 2.52 acres. The property is currently zoned RR-5, however, a rezone to RR-2.5 is being processed concurrently. The property is located west of the intersection of Steppler Road and Silver Nell Drive, and is located within the Black Forest Preservation Plan area.

The 2013 El Paso County Parks Master Plan shows no regional trails running through or directly adjacent to the proposed subdivision. The proposed Walker Road Bicycle Route is located approximately 0.65 mile north of the property, while the proposed Fox Run Primary Regional Trail and Hodgen Road Bicycle Route are both located approximately 0.50 mile to the south. The existing Cherry Creek Primary Regional Trail is located approximately 0.15 mile to the west, within Walden Preserve. The property is not located within any candidate open space land.

As no trail easements dedications are necessary for this filing, El Paso County Parks staff recommends fees in lieu of land for regional park purposes in the amount of \$5,698 as shown on the attached Subdivision Review Form.

Recommended Motion:

Recommend to the Planning Commission and Board of County Commissioners that approval of the Settlers View Subdivision Preliminary Plan and Rezone include the following condition: Require fees in lieu of land dedication for regional park purposes in the amount of \$5,698.
