Faricy Boat and RV Storage, PPR-19-008

Please accept the following comments from El Paso County Public Health regarding the project referenced above:

- The El Paso County Assessor's Office indicates the lot is within the Security Water and Sanitation District; however, the Rocky Mountain Group (RMG) indicates Widefield Water and Sanitation District will provide these services. El Paso County Public Health will approve connection to either district.
- Earthmoving activity in excess of one acre, but less than twenty-five acres, requires a local Construction Activity Permit from El Paso County Public Health. Go to <https://www.elpasocountyhealth.org/service/air-quality/construction-activity-application> for more information.
