2. Colorado statute requires that at the time of the approval of plating, the subdivider provides the certification of the County Treasurer's Office that all ad valorem taxes applicable to such subdivided land, or years prior to that year in which approval is granted, have been paid. Therefore, this plat is approved by the Board of County Commissioners on the condition that the subdivider or developer must provide to the Planning and Community Development Department, at the time of recording the plat, a certification from the County Treasurer's Office that all prior years' taxes have been paid in full.
3. The subdivider or developer must pay, for each parcel of property, the fee for tax certification in effect at the time of recording the plat.
4. The Applicant shall submit the Mylar to Enumerations for addressing.
5. Developer shall comply with federal and state laws, regulations, ordinances, review and permit requirements, and other agency requirements, if any, of applicable agencies including, but not limited to, the Colorado Division of Wildlife, Colorado Department of Transportation, U.S. Army Corps of Engineers and the U.S. Fish and Wildlife Service regarding the Endangered Species Act, particularly as it relates to the Preble's Meadow Jumping Mouse as a listed species.

8. Collateral sufficient to ensure that the public improvements as listed in the approved Financial Assurance Estimate shall be provided when the Final Plat is recorded.
9. The Vacation and Replat (PCD File No. VR2321) and Subdivision Exemption (PCD File No. EX243) must be recorded at the same time to

ensure the entirety of the proposed right-of-way contained in both plating applications are dedicated to the County.

- 10. An effective LOMR (Letter of Map Revision) removing the existing floodplain from the proposed lots shall be approved by FEMA prior to plat recordation.

NOTATIONS

- 1. Final plats not recorded within 24 months of Board of County Commissioners approval shall be deemed expired, unless an extension is approved.
