Kyle,

I have explained your vision and proposal for the Shire to our Black Forest Land Use Committee and the result was a strong response in favor of your plan.

We feel this is a creative and innovative idea that would educate people and provide back-to-nature entertainment for them in a country setting. It also is a good buffer between the city and the county.

We hope your plans proceed and this becomes a very successful endeavor.

Terry Stokka, Chairman, Black Forest Land Use Committee
