**CONDITIONS**

1. All Deed of Trust holders shall ratify the plat. The applicant shall provide a current title commitment at the time of submittal of the Mylar for recording.
2. Colorado statute requires that at the time of the approval of platting, the subdivider provides the certification of the County Treasurer's Office that all ad valorem taxes applicable to such subdivided land, or years prior to that year in which approval is granted, have been paid. Therefore, this plat is approved by the Board of County Commissioners on the condition that the subdivider or developer must provide to the Planning and Community Development Department, at the time of recording the plat, a certification from the County Treasurer's Office that all prior years' taxes have been paid in full.
3. The subdivider or developer must pay, for each parcel of property, the fee for tax certification in effect at the time of recording the plat.
4. The applicant shall submit the Mylar to Enumerations for addressing.
5. The developer shall comply with federal and state laws, regulations, ordinances, review and permit requirements, and other agency requirements, if any, of applicable agencies including, but not limited to, the Colorado Parks and Wildlife, Colorado Department of Transportation, U.S. Army Corps of Engineers and the U.S. Fish and Wildlife Service regarding the Endangered Species Act, particularly as it relates to the Preble's Meadow Jumping Mouse as a listed species.
6. Driveway permits will be required for each access to an El Paso County owned and maintained roadway. Driveway permits are obtained from the El Paso County Planning and Community Development Department.
7. The Subdivision Improvements Agreement, including the Financial Assurance Estimate, as approved by the ECM Administrator, shall be filed at the time of recording the final plat.
8. Collateral sufficient to ensure that the public improvements as listed in the approved Financial Assurance Estimate shall be provided when the final plat is recorded.

9. The subdivider(s) agrees on behalf of him/herself and any developer or builder successors and assignees that subdivider and/or said successors and assigns shall be required to pay traffic impact fees in accordance with the El Paso County Road Impact Fee Program Resolution (Resolution No. 19-471), or any amendments thereto, at or prior to the time of building permit submittals. The fee obligation, if not paid at final plat recording, shall be documented on all sales documents and on plat notes to ensure that a title search would find the fee obligation before sale of the property.

15. The developer, property owner and/or Sterling Ranch Metropolitan District shall be responsible for maintenance of Sand Creek adjacent to the final plat until construction of the necessary channel improvements by the developer is complete and the channel improvements have been accepted by El Paso County.
16. The construction drawings and the final drainage report (SF-19-004) shall be approved by the Planning and Community Development Department and collateral shall be provided from the applicant to guarantee said improvements prior to the recordation of the Homestead at Sterling Ranch Filing No. 2 final plat.
17. The maintenance access trail required on the west side of Sand Creek shall be designed and constructed to meet County criteria with the Sand Creek channel improvements required in accordance with the Sterling Ranch Filing No. 1 Subdivision Improvements Agreement.

**NOTATION**

1. Final plats not recorded within 12 months of Board of County Commissioner approval shall be deemed expired, unless an extension is approved.
