Dear Ms. Ruiz:

Mountain View Electric Association, Inc. (MVEA) has these comments about the following:

**Project Name: Pebble Beach Way Tower**

**Project Number: TWR-17-002**

**Description:** Verizon Wireless is requesting approval to install new telecommunications equipment on an existing 50 foot tower located at 18975 Pebble Beach Way in Monument, CO. This tower is south of Woodmoor Drive and east of White Fawn Drive in Section 12, Township 11 South, Range 67 West.

This area is within MVEA certificated service area. MVEA will continue to serve this location according to our extension policy. Information concerning additional connection requirements, fees and upgrades under MVEA line extension policy can be obtained by contacting the Engineering Department of MVEA. Should any existing facilities associated with this parcel of land require being removal or relocation it will be at the expense of the applicant and a review of easements will be required in order to continue to serve.

MVEA has no objection to the additional telecommunication equipment being installed on the existing Crown Castle tower.

If additional information is required, please contact our office at (719) 495-2283.

Sincerely,

A handwritten signature in blue ink that reads "Cathy Hansen-Lee".
