## Type Application Form (1-2C)

### DESCRIPTION OF THE REQUEST

The owners of **Davis Ranch** presently occupy portions of the 398.91 acres they intend to subdivide with a request to rezone their property from A-35 to *RR-2.5* and *RR-5.0 Rural Residential*. Two small parcels located on Judge Orr Road are proposed as *CS-Commercial Services* intended for neighborhood retail use.

The **Davis Ranch Sketch Plan** request is for approval of up to 92 single-family residential lots with a density of .23 dwellings per acre. Approximately 51.45 acres are proposed to be designated as public and private open space tracts, a public park, public trail easements, and buffer zones in areas adjacent to existing residential properties. All proposed internal roads are proposed as public.

Davis Ranch retains ownership of all water rights; homes to be built within the proposed subdivision will be serviced via on-site wells and septic. A *Water Resources Report* has been completed by a local hydrologist and water attorney. The Report confirms that low-density residential development as proposed can be supported.
