Please accept the following comments from El Paso County Public Health regarding the project referenced above:

- **Water service will be provided by Cherokee Metropolitan District. Cherokee Metropolitan District has been assigned PWSID #CO-0121125 by the Colorado Department of Public Health and Environment, Water Quality Control Division. There is a finding for sufficiency for water provided by Cherokee Metropolitan District.**
- **Wastewater service to be provided by Cherokee Metropolitan District.**
- **Radon resistant construction building techniques/practices are encouraged to be used in this area. The EPA has determined that Colorado, and the El Paso County area have potentially higher radon levels than other areas of the country.**
- **The water quality basins must have mosquito control responsibilities included as a part of the construction design and maintenance plan to help control mosquito breeding habitat and minimize the potential for West Nile Virus.**
