RE: Poenitsch Minor Subdivision (MS-19-003)

This is to inform you that the above-reference request for approval of minor subdivision was heard and approved by the El Paso County Planning Commission on February 18, 2020, at which time a recommendation for approval was made to create and authorize the development of three (3) single-family lots. The 18.86 acre parcel is zoned RR-5 (Residential Rural) and is located at the northwest corner of the Herring Road and Shoup Road intersection and is within Section 8, Township 12 South, Range 65 West of the 6<sup>th</sup> P.M. The subject property is located within the boundaries of the Black Forest Preservation Plan (1987) area. (Parcel No. 52080-00-041)

This recommendation for approval is subject to the following:

**CONDITIONS**

1. All Deed of Trust holders shall ratify the plat. The applicants shall provide a current title commitment at the time of submittal of the Mylar for recording.
2. Colorado statute requires that at the time of the approval of platting, the subdivider provides the certification of the County Treasurer's Office that all ad valorem taxes applicable to such subdivided land, or years prior to that year in which approval is granted, have been paid. Therefore, this plat is approved by the Board of County Commissioners on the condition that the subdivider or developer must provide to the Planning and Community Development Department, at the time of recording the plat,

a certification from the County Treasurer's Office that all prior years' taxes have been paid in full.

3. The subdivider or developer must pay, for each parcel of property, the fee for tax certification in effect at the time of recording the plat.
4. The Applicants shall submit the Mylar to Enumerations for addressing.
5. Developer shall comply with federal and state laws, regulations, ordinances, review and permit requirements, and other agency requirements, if any, of applicable agencies including, but not limited to, the Colorado Division of Wildlife, Colorado Department of Transportation, U.S. Army Corps of Engineers and the U.S. Fish and Wildlife Service regarding the Endangered Species Act, particularly as it relates to the Preble's Meadow Jumping Mouse as a listed species.
6. The Subdivider(s) agrees on behalf of him/herself and any developer or builder successors and assignees that Subdivider and/or said successors and assigns shall be required to pay traffic impact fees in accordance with the El Paso County Road Impact Fee Program Resolution (Resolution No. 19-471), or any amendments thereto, at or prior to the time of building permit submittals. The fee obligation, if not paid at final plat recording, shall be documented on all sales documents and on plat notes to ensure that a title search would find the fee obligation before sale of the property.
7. Park fees in lieu of land dedication for regional parks (Area 2) in the amount of \$1,368.00 shall be paid at the time of final plat recording.
8. Fees in lieu of school land dedication in the amount of \$918.00 shall be paid to El Paso County for the benefit of Academy School District No. 20 at the time of plat recording.
9. The County Attorney's Conditions of Compliance shall be adhered to at the appropriate time.
10. A drainage fee for the Kettle Creek Drainage Basin in the amount of \$7,060.16 shall be paid at the time of final plat recording.
11. No direct access to Shoup Road will be granted.

#### **NOTATION**

1. Final plats not recorded within 24 months of Board of County Commissioner approval shall be deemed expired, unless an extension is approved.

The Planning Commission is advisory to the Board of County Commissioners.
