Ailis Thyne, P.E. (Water Resources Engineer)
Colorado Division of Water Resources
Department of Natural Resources

RE: Bradley Point Filing No. 1
Project EA No. EA20100 / File No. MS212

Ailis Thyne,

The intent for the Bradley Point Filing No. 1 subdivision is to receive water services from a water provider (Security Water & Sanitation District).

The subdivision is NOT to remain a 'Dry Subdivision'.

Thank you,

Drew McClain
Project Engineer
