RE: AT&T Site: MRUTH064321 / FA# 10093745 / Ericsson Swaps
Site Address: 2160 N BLANEY RD

This application is for a modification to an existing wireless communication facility. AT&T is proposing to swap antennas and associated equipment on existing Wireless Communication Facility in order to improve existing service. This will not be a substantial change and there will be no increase to the height of the tower, or to the size of the lease compound.

Sincerely,
