Review 1: Extend the annexation boundary to include the Enoch Road frontage. Reminder: The adjacent roads (Enoch Road and Peyton Highway) should be included as future annexation addition of Flying Horse East progresses. In the interim access permit will be required if development access is through County owned/maintained roadway.

Question to City Staff: Is there plans by the City to update the State Highway 94 Access Management Plan 2012 (AMP) as a result of the Flying Horse East Addition 1 & 2 annexation? Will the application process, appeal process, and plan implementation as described in the AMP remain the same (attached)?
