

Pioneer Landing at Lorson Ranch Filing No. 3 Fire Protection Report: Security Fire Department

Today, the Security Fire Department is one of the largest departments in El Paso County, serving the ever-growing population of Security and Widefield. The department has an average call volume of 3,300 calls a year for service and employs:

- 12 full-time personnel
- One paid Fire Chief
- 25 volunteers.

The department has the following equipment:

- 5- Fire Pumper trucks
- 1- Command Vehicle
- 1- 75' ladder truck
- 1-Utility truck and Brush Fire Truck
- 3- Medic Response Vehicles (Ambulance)

The Security Fire Department's mission is to provide the highest quality professional service to the community. They resolve to do this within a framework of empathy, compassion, and dedication to the citizens they serve. The Security Fire Department has the capacity to provide for fire protection, EMS services, wildfire fighting, hazardous materials, and traffic accidents. The department maintains a highly commendable ISO rating and because of this, homeowners benefit with savings on their fire insurance policy.

The Security Fire Department's Goal is to preserve LIFE and PROPERTY through effective fire prevention, fire suppression, and emergency medical service. Their objective is to promote and provide education in fire and life safety, provide extinguished through effective response, intervention to minimize life and property loss, and ensure the highest quality pre-hospital emergency care to the sick and injured.

Finally, Security Fire Department's mission is to provide professional and courteous emergency services to the community 24/7 365 days a year. To consistently integrate new technology and training to improve their dedicated employee's and volunteer's skills so residents may rest assured they will always receive the best emergency services one should expect from their hometown Fire Department.
