RE: Substantial Compliance
Rolling Hills Ranch North Filing 1 Construction Drawings
Approved September 3, 2024

October 8, 2026

Dear Mr. Walters,

Tech Contractors has visually inspected the El Paso County improvements for Rolling Hills Ranch North Filing 1 and based upon our observations, the site and adjacent properties (as affected by work performed under the County permit) are stable with respect to settlement and subsidence, sloughing of cut and fill slopes, and that the improvements (public improvements, common development improvements, site grading and paving) meet or exceed the minimum design requirements. A compliance walk through with Bret Haycock in order to identify any deficiencies has been completed and all items, if any, have been addressed. A defect warranty bond in the amount of \$687,345.80 will be provided to replace the \$1,291,624.80 Performance Bond (#4487447) to begin the two-year warranty period.

Should you have any questions or concerns please feel free to contact me at 719-495-7444 or by email at tom@meridianranch.com

Sincerely

Thomas A. Kerby, PE
