Description of the request: *(attach additional sheets if necessary):*

<p>Monument Glamping is proposing to modify the terminology in previously approved project under file number AL223, specifically by changing "tent sites" to "glamping sites." This will eliminate the unintended implication in the prior application that all of the glamping shelters will be exclusively fabric. Individual shelters will also be referred to as "glamping shelters" to provide a better understanding of the use. The use is intended to provide options other than just tents for guests to stay in. Examples: shipping container, park model.</p>
