My name is John Doran, I reside on Arnold Ave. I returned from a business trip and found out about this Modification request on Oct 17. I hope this request was denied. When we bought our home, we were informed that these Pine Hill lots were zoned for single family dwellings. Not business lots and or multiple dwellings. I have a hard time believing this was even approved for Glamping.

Who approved the Glamping modification?

How do we find out about these requests for modifications well ahead of the deadline?
