RE: AT&T Site: MRUTH063057 / FA# 10099187 / Ericsson Swaps  
Site Address: 15642 HIGHWAY 94

This application is for a modification to an existing wireless communication facility. AT&T is proposing to swap antennas and associated equipment on existing Wireless Communication Facility in order to improve existing service. This will not be a substantial change and there will be no increase to the height of the tower, or to the size of the lease compound.

Sincerely,

**Carrie Ann Powell**
