PLANNED UNIT DEVELOPMENT CHECKLIST

Revised: January 2022

Planned Unit Development		
<p>A Planned Unit Development map is intended to provide the information necessary to review a Planned Unit Development map for a proposed development for general conformance with the LDC and State law. The Planned Unit Development (PUD) district is a versatile zoning mechanism to encourage innovative and creative design and to facilitate a mix of uses including residential, business, commercial, and industrial, recreation, open space, and other selected secondary uses. This zoning district is established in accordance with C.R.S. §§ 24-67-101, et seq.</p>		
<p>The PCD Director may modify the applicable requirements, including requiring additional items or removing items, based upon the project and site-specific circumstances.</p>

Map Content		
Sheet Size		
1	The sheet size shall be 24 inches by 36 inches, including a minimum one inch border.	✓
Scale		
2	Each sheet of the PUD shall be drawn to the same scale. The scale shall be one inch equals 100 feet (1 inch = 100 feet) or a scale of one inch equals 50 feet (1 inch = 50 feet) unless the PCD Director approves a larger or smaller scale. In the event a single sheet is not practicable, multiple sheets may be used. No lot shall be split between sheets. When using multiple sheets, a key map shall be provided on the first page, and on each sheet thereafter and matchlines shall be depicted.	✓
Map Content		
3	Title Block and Reference Information	
	Name of proposed development centered on the top of the plan and at the top of each sheet. On each sheet, a subtitle, in smaller lettering, shall indicate the quarter section(s)(1/4), section, township and range in which the development is located. The name of the County and the State shall be included in the subtitle.	✓
	The words "DEVELOPMENT PLAN" clearly stated,	✓
	Name, address and telephone number of the owner of record located in the lower right hand corner,	✓
	Date of preparation, date of survey (if applicable), north arrow, written and graphic scale located in the lower right hand corner of each sheet,	✓
	Names, address, and telephone number of person(s) responsible for preparing the development plan (e.g., licensed surveyor, licensed engineer or designer of the development plan) located in the lower right hand corner (if applicable),	✓
	Date of submission with provisions for dating revisions located in the lower right hand corner, and	✓
	Vicinity map (scale of 1 inch = 2000 feet in general scale preferred, but does not have to be a scaled drawing) showing the subdivision in relation to section lines and existing or proposed streets within one mile.	✓
	The proximity of water wells, lakes, streams, irrigation ditches, ponded water, and other water sources in the area being subdivided; and	✓
4	Layout	
	The location of property lines including location and boundaries of the development if part of a larger area.	✓
	Approximate layout, dimensions, and area of each proposed lot or tract in square feet and acres, if any lot or tract is less than 2.5 acres, or in acres if no lot or tract is less than 2.5 acres. The depiction of each tract shall also include the use designation of the respective tract.	✓
	Existing and proposed no-build areas and easements (e.g. drainage, utility, etc.) with approximate dimensions. All existing no-build areas and easements are to be identified as "to remain" or "to be removed."	✓
	The footprint and intended use of all existing buildings.

	<p>Approximate location of land intended to be conveyed or reserved for public use or reserved in the deeds for the use of all property owners, residents, or general public and the proposed method of dedication and maintenance of such land to include, but not limited to, parks; trails, open space; streets; bikeways, paths, trails, trailheads, schools and school sites; utilities, and community and social service facilities. All locations or lands shall be identified as public or private. The use designations and final ownership of all property proposed to be set aside for public and private facilities including the area of each tract to be set aside.</p>	✓	
	<p>A number associated with each lot and block in the development, beginning with the numeral 1 and continuing consecutively throughout the property included in the development plan, with no omissions or duplications. Tracts shall be given an alpha designation.</p>	✓	
	<p>Exterior boundary description of subject property graphically depicted and a written legal description tied to a survey monument.</p>	✓	
	<p>Cover Sheet The following wording shall be placed verbatim beginning in the upper left hand area of the map:</p>		
	<p>A statement establishing the purpose and intent of the PUD zoning district.</p>	✓	
	<p>Authority This PUD is authorized by Chapter 4 of the El Paso County Land Development Code, adopted pursuant to the Colorado Planned Unit Development Act of 1972, as amended.</p>	✓	
	<p>Applicability The provisions of this PUD shall run with the land. The landowners, their successors, heirs, or assigns shall be bound by this Development Plan, as amended and approved by the Planning and Community Development Department Director or Board of County Commissioners.</p>	✓	
	<p>Adoption The adoption of this development plan shall evidence the findings and decisions of the El Paso County Board of County Commissioners that this Development Plan for (name of PUD) is in general conformity with the El Paso County Master Plan, El Paso County Policy Plan and applicable Small Area Plan(s); is authorized under the provision of the El Paso County Land Development Code; and that the El Paso County Land Development Code and this development plan complies with the Colorado Planned Unit Development Act of 1972, as amended.</p>	✓	
	<p>The provisions of this Development Plan shall prevail and govern the development of (name of PUD), provided, however, that where the provisions of this Development Plan do not address a particular subject, the relevant provisions of the El Paso County Land Development Code, as amended and in effect at the time of the PUD plan approval (or owner acknowledge the PUD changes with the Code), or any other applicable resolutions or regulations of El Paso County, shall be applicable.</p>	✓	
	<p>To further the mutual interest of the residents, occupants, and owners of the PUD and of the public in the preservation of the integrity of this development plan, the provisions of this plan relating to the use of land and the location of common open space shall run in favor of El Paso County and shall be enforceable at law or in equity by the County without limitation on any power or regulation otherwise granted by law.</p>	✓	
	<p>Where there is more than one provision within the development plan that covers the same subject matter, the provision which is most restrictive or imposes higher standards or requirements shall govern.</p>	✓	
	<p>The total number of dwellings or the total commercial, business, or industrial intensity shown on the development plan for development within the specified planning areas is the maximum development requested for platting or construction (plus any approved density transfers). The actual number of dwellings or level of development may be less due to subdivision or Site Development Plan requirements, land carrying capacity, or other requirements of the Board of County Commissioners.</p>	✓	
	<p>At the time of any final plat application, the applicant shall provide a summary of the development, to date, to Planning and Community Development Department, in order to assure maximum development limits are not exceeded.</p>	✓	
	<p>The cover sheet shall include any cross reference to the ZCP or previous PUD Development Plan, including any recording references.</p>
