Dear Kari:

In reference to your correspondence dated May 4, 2022, for Creekside at Lorson Ranch Filing No. 2, file number PUDSP223, parcel numbers 5523114075 and 5523114076, a request by Jason Alwine of the Matrix Design Group, Inc, and owner Jeff Mark of Lorson LLC, described as "PUDSP for 38 single-family lots, pre-site grading with utilities, water and sufficiency". Widefield School District #3 has no objections to this project due to the already agreed upon school site in the Lorson Ranch development. Due to the agreement, Widefield School District #3 accepts fees in lieu of land for Creekside Filing No. 2. Widefield School District #3 also respectfully requests payment if there are still any previous fees owed within the Lorson Ranch development.

If you have further questions please feel free to contact me at [gishd@wsd3.org](mailto:gishd@wsd3.org) 719-391-3531.

Sincerely,

A handwritten signature in purple ink that reads "David Gish". The signature is fluid and cursive.
