Select location and type of access
Open ditch or curb and gutter
If you dont have curb & gutter and no sidewalks then select open ditch

Driveway Location

Proposed Driveway Location is Clearly Marked

Proposed driveway location and property corners will be clearly marked with stakes and/or flagging prior to the inspection. If the driveway is not marked at the time of the inspection this application can be delayed or denied.

Type of Access

Secondary Open Ditch Driveway Access

Secondary Open Ditch Driveway Access (circular, etc.) application will only be accepted for parcels equal or greater than 2.5 acres and meeting a minimum lot frontage of 250 feet.

Secondary Curb and Gutter Driveway Access

Secondary Curb and Gutter Access applications will only be accepted for parcels equal to or greater than 1 acre and meeting a minimum lot frontage of 150 feet.

Commercial Driveway Access

Select commercial if a business.

A Commercial Driveway Access permit references a Site Development Plan (multiple lots) or a Site Plan (single lot) previously reviewed and approved by El Paso County Planning and Community Development. Each proposed access point to an El Paso County public road will be subject to permit fees. Multi-Family and Townhome communities may be subject to permit fees per address.

Driveway Access Waiver

A Driveway Access Waiver will be issued for access onto a road not platted as El Paso County right-of-way within unincorporated El Paso County subsequent to county confirmation. The applicant may be required to submit additional documentation.

Save and Continue

Note this online application can be used to request BOTH a primary or secondary access. Please just select secondary and the Access Mngr will review and issue the appropriate permit (PRI or SEC) based on the input on the following pages
